

UNHAS@20 Exhibit

Side event on the margins of the annual session of the Executive Board
24-28 June 2024
WFP headquarters – Blue Foyer

Context

In 2024, the United Nations Humanitarian Air Service (UNHAS) celebrates its 20th anniversary. After two decades of operations, it is time for UNHAS to look back, recognize our achievements, consolidate successes and seek ways of improving these services moving forward alongside partners who have been key to the operations. The **UNHAS@20** exhibit will highlight UNHAS' achievements throughout the years in photos and videos.

The exhibit will run from 17 June to 5 July at the Blue Foyer exhibit space and we invite delegates to visit the exhibit throughout the annual session of the Executive Board at the Blue Foyer exhibition space in the lobby.

Objectives

The objective of this exhibit is to showcase the achievements of UNHAS and drive engagement for UNHAS' impact and longevity.
