ANNOTATED BIENNIAL PROGRAMME OF WORK OF THE EXECUTIVE BOARD (2011–2012)

(classified by subject and session)

POLICY ISSUES

EB.1/2011 (14–16 February)

- *Annual Report for 2010 to ECOSOC and FAO Council (A)*

The Annual Report to ECOSOC and FAO Council is presented at the First Regular Session every year in accordance with the Board's 2004 decision on streamlining corporate reporting to the Board and WFP parent bodies (2004/EB.A/11). The report provides a comprehensive picture of WFP's engagement in United Nations system-wide activities, organized according to the common format for United Nations funds and programme reports to ECOSOC and taking into account the comments expressed by the WFP Board on the desired content of the report. This report is presented to the Board for approval.

EB.A/2011 (6–10 June)

- *Annual Performance Report for 2010 (A)*

General Rule VII.2 states: "Each year the Executive Director shall submit to the Board for its approval an Annual Report and other reports as directed by the Board". Governance recommendation (h), approved by the Board at its Third Regular Session in 2000 (decision 2000/EB.3/1—Follow-up to Executive Board decision 2000/EB.A/6 on Governance), states: "An Annual Performance Report should be developed based on the Biennial Management Plan previously approved".

The Annual Performance Report for 2010 aims to present a relevant and evidence-based analysis of WFP's performance, reflecting the commitments made for the year as defined in the Strategic and Management Plans.

- *Update on the Implementation of WFP's Policy on Vouchers and Cash Transfers (A)*

This paper updates the 2008 Vouchers and Cash Transfers Policy, taking into account WFP's experience with implementation of voucher and cash transfer initiatives. It reviews the main features and trends in WFP's cash-based operations since 2008, lays out emerging issues and challenges, and outlines priorities for further mainstreaming of cash transfers and vouchers in WFP's portfolio. It is submitted to the Board for approval.

- *WFP Policy Formulation (A)*

Further to discussions at the Executive Board Bureau in 2009 and 2010 on the subject, the Executive Board requested that a document on the policy development process be submitted to it for approval. This paper, submitted for approval, is divided into two parts: the first one provides an overview of how policies are formulated, implemented, evaluated and updated. It will include a flowchart that shows the different steps and influencing factors in the WFP policy-making process, and covers how WFP's policies and programmes reflect broader policy-making within the United Nations system globally. The second part explains classification of documents for presentation to the Board.

- *Oversight Framework and Reports Disclosure Policy (A)*

During the second Regular session of 2010, the Board requested the Secretariat to develop a comprehensive oversight policy including procedures for disclosure of internal reports. The policy will include the principles and attributes for effective oversight, oversight roles and responsibilities, institutional mechanisms, professional standards for internal oversight, oversight reporting mechanisms, and resources required for effective organizational oversight. The document will be presented for approval.

The Board will also have before it, for information, the comments and recommendations of the ACABQ and the FAO Finance Committee.

➤ *WFP Sustainable Hunger Solutions for Chronically Insecure Populations: Status of Hand-Over Strategy (I)*

This document, presented for information, will identify the longer-term programmes that are part of WFP's portfolio, but do not include a clear hand-over strategy. The paper will outline the steps that are being taken to develop a coherent hand-over strategy for these programmes in partnership with the government and other stakeholders, with the goal to enact long-term solutions or better solutions for chronically insecure populations.

➤ *Update on WFP's Response to HIV and AIDS (I)*

At its First Regular Session in 2003, the Board asked to be informed annually about the status of WFP HIV and AIDS activities and relations with the Joint United Nations Programme on HIV/AIDS (UNAIDS). The update is submitted to the Board for information.

➤ *Climate Change and Hunger: Towards a WFP Policy on Climate Change (I)*

Following an informal consultation and a seminar with experts in 2009, and in recognition of the links between climate change, hunger and malnutrition, Board members requested the Secretariat to provide further information regarding how WFP contributes to global efforts to address the impact of climate change on hunger and undernutrition. This document, which is submitted for information, informs the Board on how WFP can contribute to supporting governments and communities in their efforts to achieve food security in the face of climate change. WFP has important comparative advantages through its experience in food security interventions that can support adaptation and disaster risk reduction.

➤ *Update on the Implementation of WFP's School Feeding Policy (I)*

The Secretariat will submit to the Board, for information, a progress report on the implementation of the school feeding policy, which aims at supporting global and national initiatives to scale-up school feeding programmes and increasing the quality and sustainability by focusing on: implementation support; strategic thought leadership, and global partnership, advocacy and fund raising.

EB.2/2011 (14–17 November)

➤ *Update of Consolidated Framework of WFP Policies (I)*

At its Annual Session in 2000, the Executive Board approved the recommendations contained in the Report on the Working Group on Governance (decision 2000/EB.A/6). Governance recommendation (d) established that WFP policy statements should be codified in a compendium. The "Consolidated Framework of WFP Policies" was first submitted to the Board at its Annual Session in 2002. This updated version, which is submitted for information, includes the policies considered by the Board in 2010–2011.

➤ *WFP Policy on Disaster Risk Reduction (A)*

This paper will update the WFP Policy on Disaster Risk Reduction presented for consideration to the Executive Board in February 2009, taking into account WFP's latest experience as well as comments from a series of regional consultations where input from over 190 different organizations was collected. The paper seeks to identify major issues and lessons from implementation, as well as clarifying WFP's role and comparative advantage in supporting disaster risk reduction efforts. It is submitted to the Board for approval.

EB.1/2012 (13–17 February)

➤ *Annual Report for 2011 to ECOSOC and FAO Council (A)*

The Annual Report to ECOSOC and FAO Council is presented at the First Regular Session every year in accordance with the Board's 2004 decision on streamlining corporate reporting to the Board and WFP parent bodies (EB.A/2004/11). The report provides a comprehensive picture of WFP's engagement in United Nations system-wide activities, organized according to the common format for United Nations funds and programme reports to ECOSOC and taking into account the comments expressed by the WFP Board on the desired content of the report. This report is presented to the Board for approval.

➤ *Policy on Nutrition (A)*

At its informal consultation on 1 July 2010, the Board requested the Secretariat to submit a comprehensive nutrition policy, noting that several policy papers existed, but dated back to 2004, except for the Nutrition Improvement Approach which was being discussed. The new policy, submitted to the Board for approval, will give a comprehensive view of WFP's nutrition policy. It will cover the spectrum of emergency, relief, recovery and development activities, and include curative and preventive interventions, with a focus on vulnerable groups. This policy will replace all previous documents.

➤ *Policy on Protection (A)*

Humanitarian assistance agencies are increasingly expected to be aware of and, where possible, contribute to the protection of their beneficiary populations. In this light, the WFP policy paper on protection will seek to define principles of protection applicable for WFP and core strategies for mainstreaming protection in the work of the Programme. It is submitted to the Board for approval.

➤ *Information Note on the Update of the Implementation of the Gender Policy (I)*

EB.A/2012 (4–8 June)

➤ *Annual Performance Report for 2011 (A)*

General Rule VII.2 states: "Each year the Executive Director shall submit to the Board for its approval an Annual Report and other reports as directed by the Board". Governance recommendation (h), approved by the Board at its Third Regular Session in 2000 (decision 2000/EB.3/1—Follow-up to Executive Board decision 2000/EB.A/6 on Governance), states: "An Annual Performance Report should be developed based on the Biennial Management Plan previously approved".

The Annual Performance Report for 2011 aims to present a relevant and evidence-based analysis of WFP's performance, reflecting the commitments made for the year as defined in the Strategic and Management Plans.

➤ *Safety Nets Policy Update (A)*

This paper, which is submitted for approval, will provide an update on the implementation of the 2004 policy paper "WFP and Food-based Safety Nets: Concepts, Experiences and Future Programming Opportunities" taking into account WFP's new Strategic Plan 2008–2013 and the associated expanded toolbox, which project WFP not only as a front-line innovator in the humanitarian domain, but also as a stronger partner for national governments seeking to address underlying drivers of risk and vulnerability.

➤ *Mid-Term Review of the Strategic Plan (2008–2013) (C)*

At its Annual Session in 2009, in compliance with resolution 63/232 of the General Assembly changing the comprehensive policy review of operational activities from a triennial to a quadrennial cycle, the Board agreed to extend the present WFP Strategic Plan by two years, until the end of 2013 and requested the Secretariat to prepare a mid-term review of the Strategic Plan for presentation at its Annual Session in 2012.
