UPDATE ON THE WFP MANAGEMENT PLAN (2006–2007)

CORRIGENDUM

(i) Paragraph 38 is replaced with the following:

“The total cost of WINGS II, originally estimated at US\$39 million, is now estimated at US\$49 million, as outlined in the document WFP/EB.2/2006/5-F/1. The project is US\$34 million short of this target, as the Board has already approved an appropriation of US\$15 million for this biennium. An additional US\$17 million is needed in the current biennium, bringing the total requirements to US\$32 million; an estimated US\$17 million will be needed for the next biennium.”

(ii) The final sentence of paragraph 55 should read:

“The final projected balance, taking into account all decisions in this document, would be US\$47.6 million.”
