Regional Security Threats

2007/2008 Agricultural Campaign

Drought and Floods

"I feel the high prices. I can only feed my family twice a day instead of three time like before."

February 2008

WFP Programming Opportunities

Livelihoods & Climate Change

Research to help beneficiaries buffer against drought, flooding, and desertification in the region.

Nutrition

Shifting to long-term and sustainable approach

Sahel Alliance

Leaders bolster commitment to school-feeding

Thank you.
