WFP Nigeria's Country Strategic Plan (CSP) 2019-2022

Informal Consultation – Executive Board

27 July 2018

WFP Nigeria, Country Strategic Plan, 2019-2022

1: CRISIS RESPONSE

Food assistance (in-kind or cash), malnutrition prevention, income generating activities

2: RESILIENCE BUILDING

Productive Safety Nets (conditional food assistance, livelihoods and access to markets)

3: NUTRITION

Integrated Nutrition Approach, locally produced and fortified food, social and behavioral change, capacity strengthening

4: CAPACITY DEVELOPMENT

Knowledge sharing for vulnerability & assessment mapping, early warning systems, emergency response and resilience, safety nets, local food production and fortification

5: POLICY

Policy coherence and advocacy for Zero Hunger

6: COMMON SERVICES

Logistics, Emergency Telecommunications, United Nations Humanitarian Air Service

6 STRATEGIC OUTCOMES based on 3 PRINCIPLES

1

Early warning systems and crisis mitigation/response through **safety nets**

2

Bridging the gender gap

3

Know-how and knowledge transfer based on operational experience
