# WFP Partnerships Partnerships & Governance Department

Induction Session for Members and Observers  
of the WFP Executive Board

21 September 2018

# WFP Partners: *We're Better Together* (video)

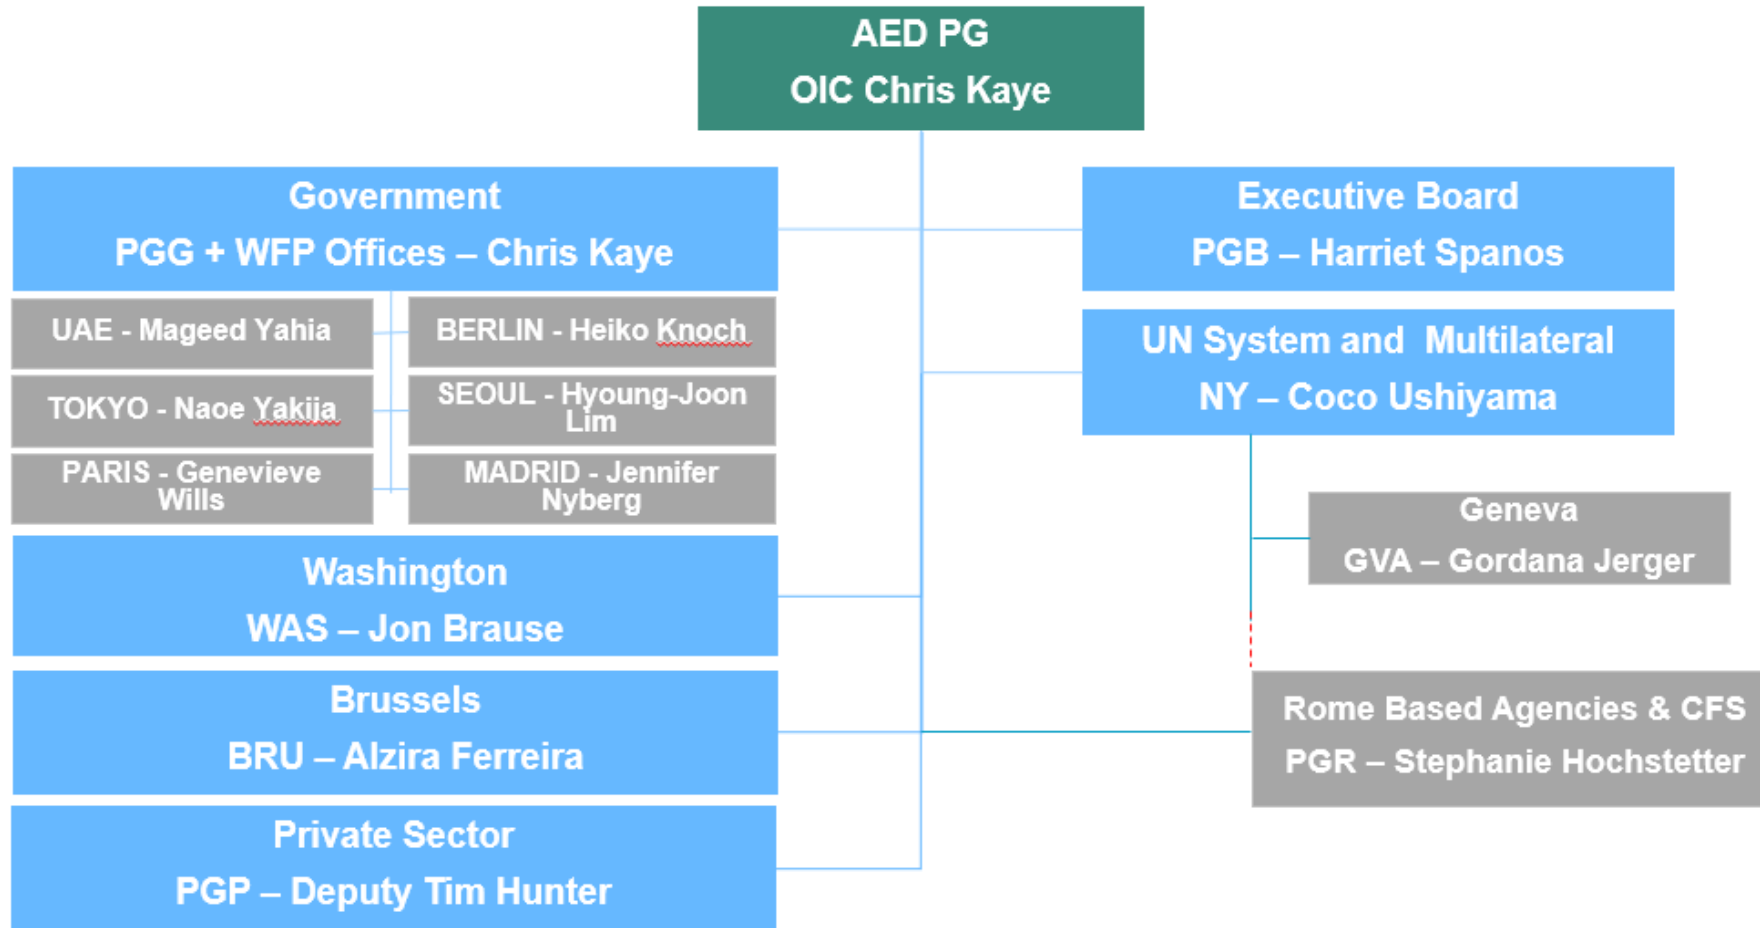

World Food Programme

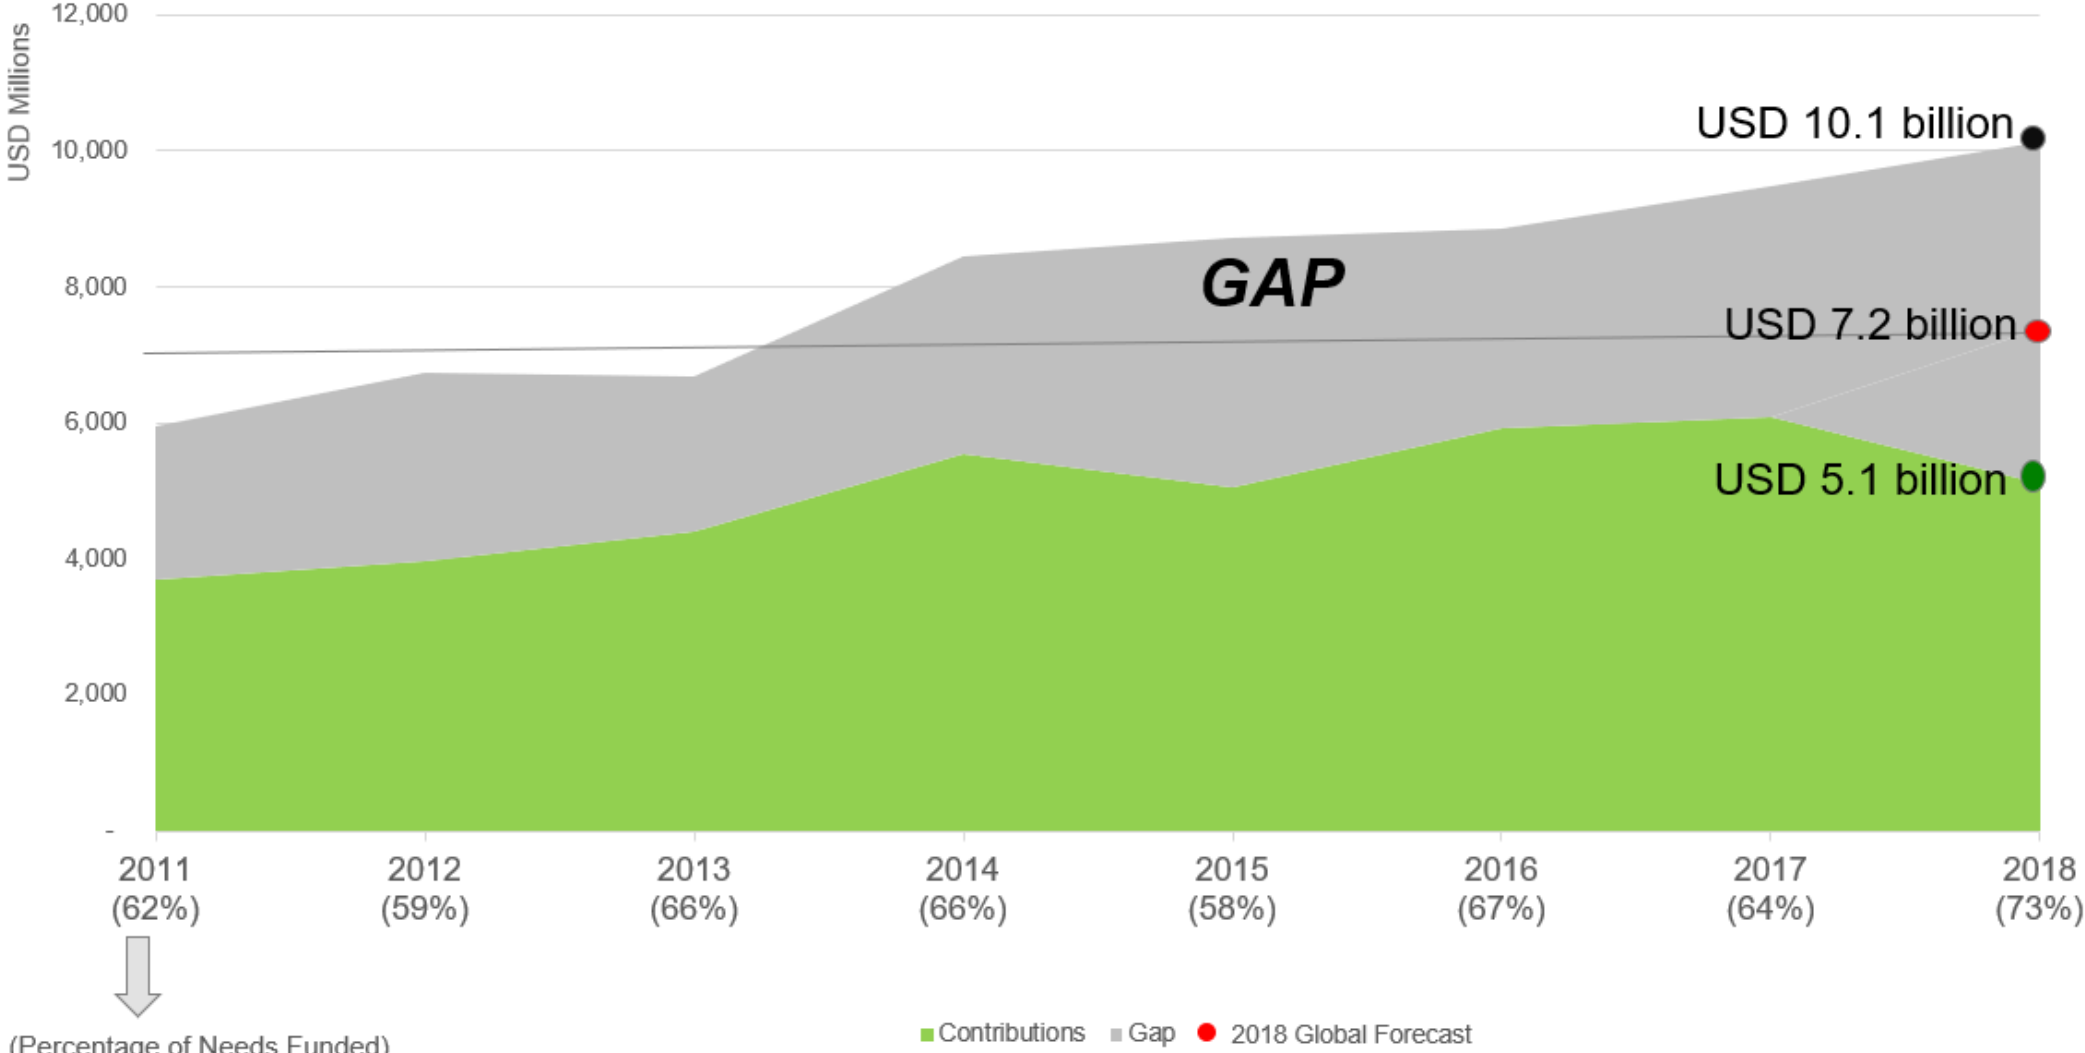

# Partnerships & Governance Department

**PG provides leadership and expertise to WFP's global partnership and resource mobilization efforts, ensuring that WFP gets maximum resources to fully meet the needs of the people we serve, in order to support Member States in achieving Zero Hunger and Agenda 2030.**

- Confirmed Contributions
- Programme of Work

# Partnership Priorities

- Strategically position WFP within the UN Reform
- Strengthen and diversify partnerships with traditional and emerging donors, including:
  - Host government collaboration
  - Private sector
  - Pooled funds and thematic funding
  - Twinning, debt-swap and tripartite agreements
  - South-South Cooperation
  - International Financial Institutions
- Professionalize partnership function
