

A PowerPoint presentation will not be used for the Latin America and Caribbean Overview.
The regional presentation will cover the following topics:

EB1.2021 Regional Overview: Latin America and the Caribbean

Outline:

- **Context:** update on food security situation in the region.
- **Sub-regional updates on WFP response and needs:**
 - **Caribbean:** Situation in Haiti; preparedness for hurricane season 2021.
 - **South America:** Update on the migration crisis and situation in host countries; sub-regional approach with L2.
 - **Central America:** Situation update on the response to hurricanes Eta and Iota; food insecurity in the Dry Corridor and compounding effect of multiple shocks; migration.
