IMPLICATIONS FOR WFP OF THE GUIDANCE ON THE UNITED NATIONS SUSTAINABLE DEVELOPMENT COOPERATION FRAMEWORK AND COMMON COUNTRY ANALYSES

ROME, JUNE 2021

- WFP continues to mobilize analytical tools to contribute to **Common Country Analysis**, including:
 - **Zero Hunger Strategic Reviews** outlining actions to accelerate progress towards zero hunger by 2030.
 - WFP's body of analytics such as needs analysis, market assessments, risk analysis and gender analysis.
- Country Offices are engaged in **UNSDCF preparation and implementation** including the preparation and implementation of Joint Workplans to operationalize the Cooperation Framework.
- **Second generation CSPs are currently being designed in close alignment with UNSDCFs:**
 - WFP is ensuring a strong alignment both in substance and cycle between UNSDCF and CSPs.
 - CSP development processes are building on UNSDCF theory of change and pillars.

- **WFP is participating in UNSDG Task Teams supporting key areas of UNDS Reform roll-out:**
 - 3 Task Teams out of 11 continue their activities throughout 2021: namely, on SDG Financing; Business Innovations; and COVID Socioeconomic response.
 - Activities initiated in other Task Teams might continue in the form of networks on various topics such as Integrated Policy, Human Rights and Leaving No One Behind, Data and Reporting and Gender Equality.
- **Socio-Economic Response Plans (SERP) are progressively incorporated into Cooperation Frameworks:**
 - WFP's Socio-economic Response and Recovery Framework for the COVID-19 crisis is progressively mainstreamed in WFP strategic and programmatic frameworks at all levels.
- **WFP is supporting the development of a new generation of joint programmes**
 - Inter-agency Advisory Group created revise the 2014 United Nations wide guidance on Joint Programmes.
 - Increased WFP interdepartmental coordination on joint programming .
