# Oral update on WFP's role in the follow-up to the United Nations food systems summit

EB.1/2022

# THE FOOD SYSTEMS COORDINATION HUB

## WFP is engaged in the:

1. Oversight Group.
2. UN Food Systems Task Force (UNFS TF).
3. Secondment into the Coordination Hub Team as National Pathways Manager.
4. Coalitions in the Ecosystem of Support.
5. Country level support to RCs/UNCTs.

# THE FOLLOW-UP WITHIN WFP

## At the Global Level:

1. Strategic Plan.
2. Internal Food Systems Working Group.
3. Support to Coalitions of Action.
4. Engagement with the Coordination Hub.

## At the Regional/Country Level:

1. 2G CSPs employing a food systems lens.
2. Support to National Convenors and Task Teams, through RCs/UNCTs:
  - Contributions of analysis, pathways and concrete actions.
  - Links to the Coalitions.
3. New partnerships with academia, private sector, etc.

# WFP SUPPORTS COALITIONS/ALLIANCES

## SINCE THE SUMMIT, COALITIONS HAVE BEEN:

1. Solidifying member state leadership.
2. Establishing governance structures (embedded within global frameworks where possible).
3. Developing priorities and workplans in consultation with stakeholders.
4. Launching initial activities.

## WFP engages in the:

1. School Meals Coalition.
2. HDP Nexus Coalition.
3. Resilient Local Food Supply Chains.
4. Healthy Diets.
5. Social Protection.
6. Climate Resilient Food Systems.
7. Indigenous Peoples' Food Systems.
8. Making Food Systems Work for Women & Girls.
9. Means of Implementation.
10. Zero Hunger Coalition & Private Sector Pledge.
11. Agroecology.

**THANK YOU**
