The Policy Compendium

- The Policy Compendium outlines:
 - Annotated list of policies, grouped by purpose.
 - Alignment with Strategic Plan (2022-2025).
 - Ongoing and planned evaluations and policy updates.
 - The broader work underway corporately on strengthening the related normative framework.

WFP's Normative Framework

- In support of The Strategic Plan implementation, WFP has strengthened the normative framework (beyond policy) with:
 - Internal governance structures (Oversight & Policy Committee and Policy Cycle Steering Group).
 - Interim internal policy formulation guidance.
 - Strategies, Circulars, Directives, etc.
 - Continued evaluation, policy updates and design of new policies, where required.
 - A new Programme Guidance Manual (PGM) to house up to date guidance.

Towards a comprehensive normative framework (2022- 2024)

1. Thematic Updates:

- **2023-24 Policies/Updates:** Aviation; South-South and Triangular Cooperation; Cash-Based Transfers; School Feeding; and Policy Formulation.
- **2023-24 Planned Evaluations (possibly leading to updates):** Nutrition/HIV; Peacebuilding; Disaster Risk Reduction; Climate Change; Resilience; Country Strategic Plans; Environment; and Emergency Preparedness.

2. Emerging Issues:

- Localisation; Inclusion (e.g. Youth); Migration.

3. Strategic Plan Enablers:
