

Uganda CSP Evaluation

Management Response, UGCO

SAVING LIVES CHANGING LIVES

Evaluation & Learning: Use of CSPE evidence in CSP design

Management Response to the CSP evaluation of Uganda Country Office (2018 - 2025)

REC 1: Enhance Integration & Coherence

Agreed

Key actions

- CSP Theory of Change, maximizing synergies and impact across activities
- Integrated approach to planning and implementation, including geographical convergence, and targeting

REC 2: Define WFP as a Strategic Enabler

Agreed

Key actions

- Transition strategy with pathways for national system strengthening
- Support the Government in harmonizing Self-Reliance measurement
- Strengthen Government-led Emergency preparedness and anticipatory action

REC 3: Strategic Partnership Approach

Agreed

Key actions

- Build capacity of local NGOs and private sector as strategic partners
- Supported the Ministry of Education in the finalization of the National School Feeding Policy

REC 4: Improve Resilience & **Self-Reliance**

Agreed

Key actions

- Enhanced integration and strategic design of WFP activities in line with government interventions
- Designed a crosscutting nutritionsensitive approach

REC 5: Strengthen the advancement of crosscutting priorities

Agreed

Key actions

- Developed a people-centered approach
- Continued focus on accountability to affected people through Community **Engagement** and Feedback Mechanisms

REC 6: Enhanced role in food systems transformation

Agreed

Key actions

- Enhanced coordination with the Government. UN and private sector in food systems
- Innovative finance mechanisms (blended-financing)

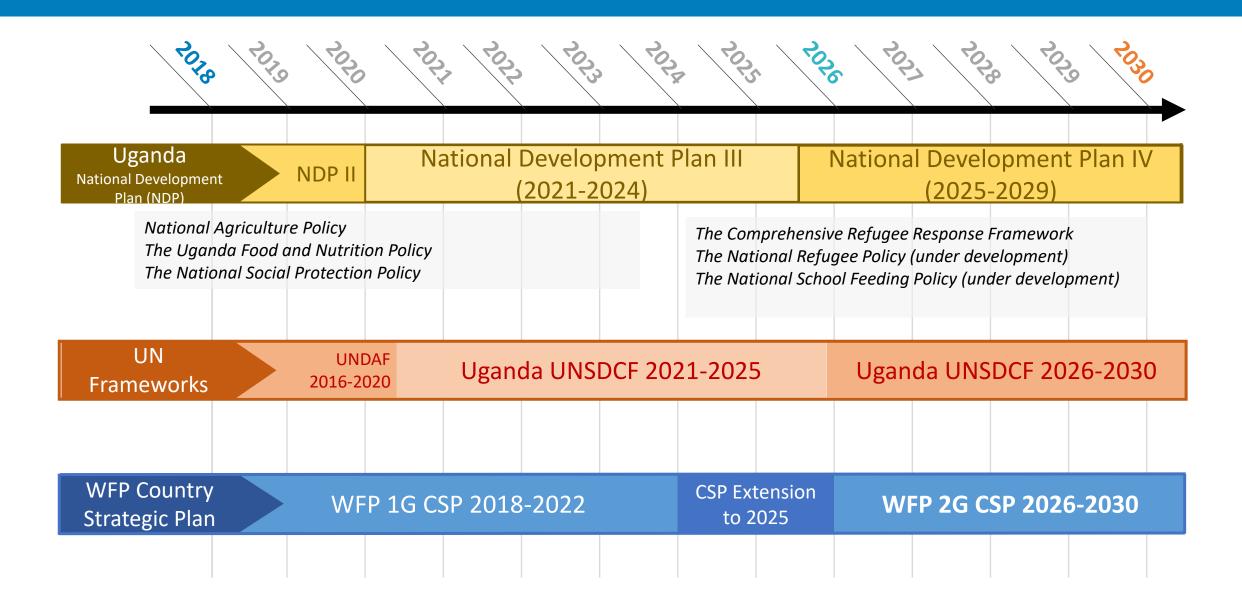

Uganda Country Strategic Plan

Executive Board Informal Consultation

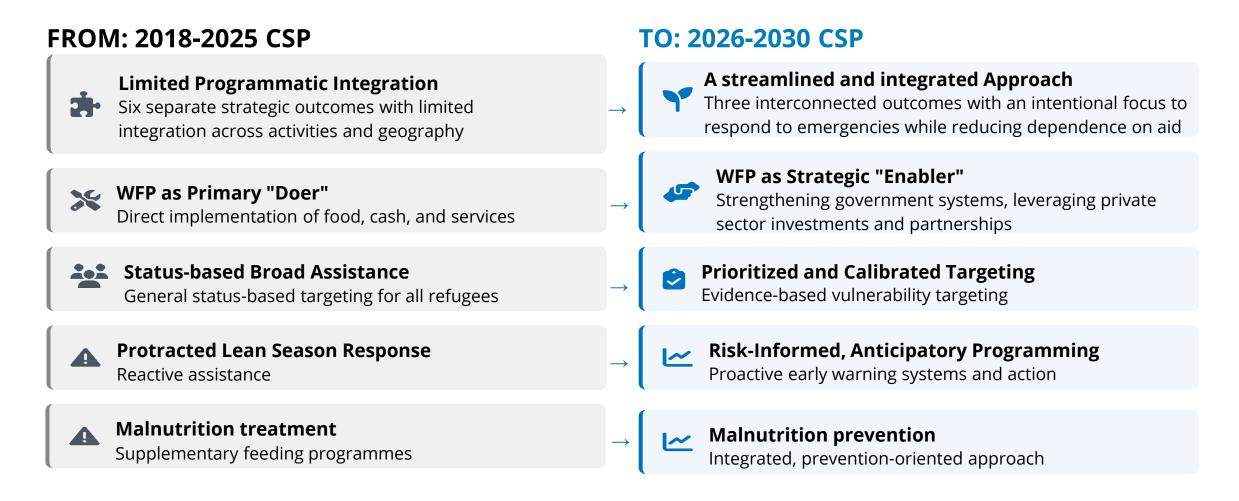

September 2025

SAVING LIVES CHANGING LIVES

Alignment with National Plans and Priorities

What has changed? Evolution from Previous CSP

Strategic shift towards innovation, localization and strategic partnerships with government,

UN agencies, private sector & local organisations

Strategic Framework: Three Integrated Outcomes

Crisis Response

Vulnerable refugees and Ugandans affected by crisis have access to nutritious food

- Emergency food assistance
- Time-bound and prioritized assistance

Resilience Building

Vulnerable refugees and Ugandans benefit from **strengthened food systems** and diversified livelihoods that enhance healthy diets and resilience

- Asset creation and skills development
- Income diversification and market linkages

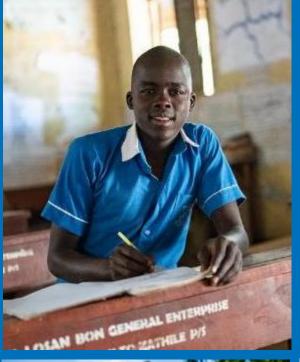

Systems Strengthening

Government institutions have **improved capacity** for social protection and disaster risk management.

- School Meals Programme
- Technical assistance, policy support, and evidence generation

THANK YOU
