Emergency telecommunications simulation

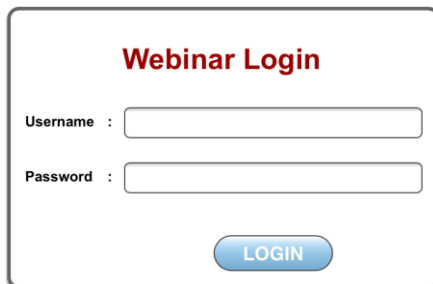

An emergency telecommunications simulation involving the membership and run by WFP’s Information Technology team, the Government of Luxembourg, the Government of Belgium and Ericsson Response to demonstrate the use of technology in humanitarian assistance will take place from Monday, 14 November until Wednesday, 16 November; the outcome of the simulation will be presented on Thursday, 17 November.

Webcasting of the Executive Board Session

WFP has implemented a Webcasting infrastructure that will allow users who do not have a WFP network login to access the live video and audio multilingual streaming of Executive Board sessions. WFP webcast can be viewed on all major operating systems and browsers (Mac, PC, Linux, iOS, Android, Windows Mobile, BlackBerry). To access the webcast, please use the following link: <http://webcast.wfp.org>, with the following case-sensitive credentials to login:

Username: Webcast

Password: EBnovember.16 (*Note: the password will change for each session of the Board*)

The image shows a 'Webinar Login' form with a red title. It contains two input fields: 'Username' and 'Password'. Below the fields is a blue 'LOGIN' button.

Select your preferred language by clicking on the relevant button.

Should there be a slideshow presentation, it will appear on the right side window.
