**Executive Board  
Second Regular Session**

**Rome, 8–11 November 2010**

## **EVALUATION REPORTS**

**Agenda item 6**

### **MANAGEMENT RESPONSE TO THE RECOMMENDATIONS OF THE SUMMARY EVALUATION REPORT CHAD COUNTRY PORTFOLIO (2003–2009)**

#### **CORRIGENDUM**

Under Recommendation 2, the management response and action taken column should read:

The country office reviewed its organizational structure in June 2010, increasing the number and improving the quality of staff to ensure smoother implementation of WFP operations. The new decentralized structure delegates most operational decisions to the field. A further review is planned in line with the strategic planning process (see recommendation 4).

Field-level agreements with government counterparts and cooperating partners are being concluded. The capacity of partners is being reinforced; this is funded from the other direct operational cost budgets of the operations.

An annual work plan was prepared in February 2010; a mid-term review took place in September 2010.
