STRATEGIC PLAN (2004–2007)

CORRIGENDUM

In paragraph 61, the fourth bullet should read:

- undirected multilateral resources used for emergencies will remain unrestricted. Such situations could include severe pockets of hunger such as are found in countries with zones in which income levels are as equally low as the least developed countries and chronic malnutrition of children under 5 is greater than 25 percent. Assistance would be limited to such zones.
