

Report on the Implementation of External Audit Recommendations

Executive Board Annual Session

13-17 June 2016

World Food Programme

Continued Progress on Implementation of External Audit Recommendations

- **The report is cumulative** and covers recommendations outstanding at EB.A/2015 and recommendations from the 2015 Audited Annual Accounts.
- **The format was streamlined** to improve readability on electronic devices, resulting in a 40 percent reduction in word count.
- **46 percent completion rate achieved**, representing a 10 percentage point increase compared to the last reporting period.
- **In 2016, the External Auditor issued 25 recommendations** relating to:
 - School Feeding Programmes - 15
 - WFP Aviation – 6
 - Audited Annual Accounts – 4
- **All outstanding recommendations are monitored** for implementation with the responsible units.
