Knowledge
Management

Rehabilitated **78,000 hectares** of degraded land in **27 communes** since 2014

Since 2014, 70% of targeted households are now out of extreme poverty

74% of very poor households are reportedly less prone to hunger-driven migration

Improved autonomy and **empowerment of women and girls**

Giving the voice to the very poor

*"Even without migration,
very poor households
manage to cover household
costs"*

*"Now with the help of WFP
I can make sure my kids
are healthy and well-fed
and will grow up to be
strong"*

"I did not have land. I used to migrate to Agadez or Libya. Now, I bought land. I eat, sell, sow and give and I still have something left"
