NELSON MANDELA CENTENARY

Side event on the margins of the annual session of the Executive Board

Monday, 18 June 2018 from 9:30 – 9:45

Seed to Feed Area, WFP Headquarters

You are cordially invited to the opening of a photographic exhibition to mark the centenary of the birth of Nelson Mandela. The late Nelson Mandela was South Africa's first democratically elected President.

The exhibition will be opened by Mr David Beasley, Executive Director of WFP and Dr Sheldon Clive Moulton, Chargé d'Affaires a.i., Embassy of the Republic of South Africa.

The exhibition consists of thirty photographs representing major milestones in the life of former President Mandela, following his release after 27 years in prison. The photographs will be on display for the duration of the Executive Board.

2018 presents an opportunity for humanity as a whole to reflect on the legacy of Nelson Mandela. During the year-long programme, South Africa and the rest of the world will honour this icon through various commemorative events. The theme for the Nelson Mandela Centenary is "Be the Legacy".

We look forward to welcoming you to this special event.
