WFP Strategic Outcome 1

REFUGEES AND OTHER CRISIS-AFFECTED POPULATIONS IN ANGOLA ARE ABLE TO MEET THEIR BASIC FOOD AND NUTRITION REQUIREMENTS DURING TIMES OF CRISIS

Activity 1

Provide unconditional food and/or cash-based transfers to refugees and other crisis-affected populations

Activity 2

Provide conditional food and/or cash-based transfers to refugees and other crisis-affected populations, to improve livelihoods and self-reliance

What is WFP doing differently in this ICSP?

1. Explore opportunities to enhance refugees' self-reliance
2. Examine a gradual shift away from status-based towards vulnerability-based targeting
3. Adopt a gender-transformative approach
4. Strengthen the local economy by generating demand for local produce
