SAVING  
LIVES  
CHANGING  
LIVES

A photograph of a woman wearing a vibrant red headscarf and a red patterned dress. She is smiling and feeding a young child with a spoon. The child is wearing a colorful, patterned dress. In the foreground, the top of another child's head is visible. The background is a blurred, warm-toned wall, possibly made of mud or plaster.

## **Update on Enterprise Risk Management Policy Implementation and Update on the Anti-Fraud and Anti-Corruption (AFAC) Action Plan Executive Board – June 2019**

# Table of Contents

**1 Enterprise Risk Management Policy Implementation**

**2 Anti-Fraud and Anti-Corruption (AFAC) Action Plan**

# 1. ERM Policy Implementation Update

Risk Assessment

## Corporate Risk Assessment: Key risks

1

Need for clarity in WFP's **mandate** for zero hunger

2

Mismatch of **staffing** and organizational needs

3

Failure to optimize and leverage **technology**

Risk Reporting

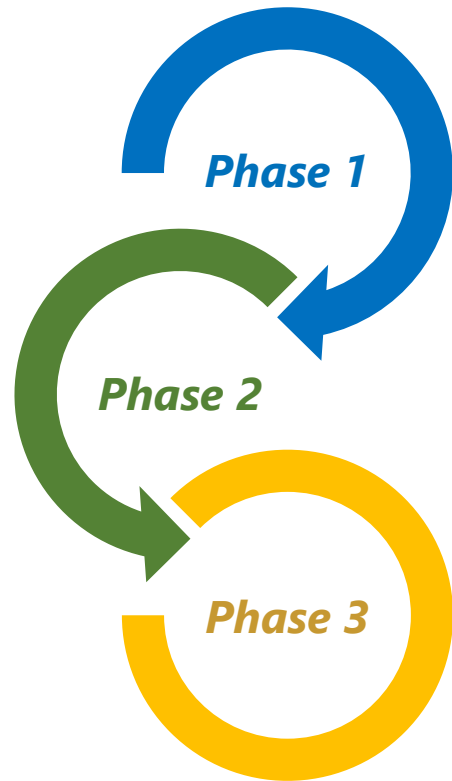

Embedding

R2 System Development and Implementation

## 2. AFAC Strategy & Action Plan, 2018-2020

### **Build awareness & benchmarking (Aug 18 – May 19)**

- Train colleagues in high risk areas
- Gather feedback on risks, gaps and priority needs
- Take stock and benchmark against best practice

### **Enhance policy, tools & build capacity (Jun 19 – Feb 20)**

- Update AFAC and related policies
- Develop tools and guidance required to implement
- Build Regional Bureau capacity

### **Embed AFAC standards (Mar – Jul 20)**

- Equip WFP global workforce with practical fraud management skills
- Reporting – metrics, indicators, alerts, dashboard etc.

**Thank you**
