A close-up photograph of a person's hand holding a white plastic watering can, pouring water onto a small green seedling in a nursery bed. The seedlings are planted in rows, and the ground is covered with black plastic mulch. The background is slightly blurred, showing more of the nursery.

OUR DIRECTION

- Become an **enabler** for national **inclusive solutions** for food security and nutrition
- Promote **sustainable** avenues for **human capital**
- Reduce **underlying causes** of food insecurity and malnutrition
- **Leverage partnerships** to achieve sustainable results

A group of five women and a young child are standing outdoors, holding various fresh produce. From left to right: the first woman holds several green tomatoes; the second woman holds a large bunch of green leafy vegetables; the third woman holds several yellow lemons and brown root vegetables; the fourth woman, who is also holding a young child, holds a green pumpkin; and the fifth woman holds a bunch of yellow bananas. The background shows a wooden wall with a sign that says 'ADMISSION' and some green foliage.

TRANSFORMATIVE APPROACHES

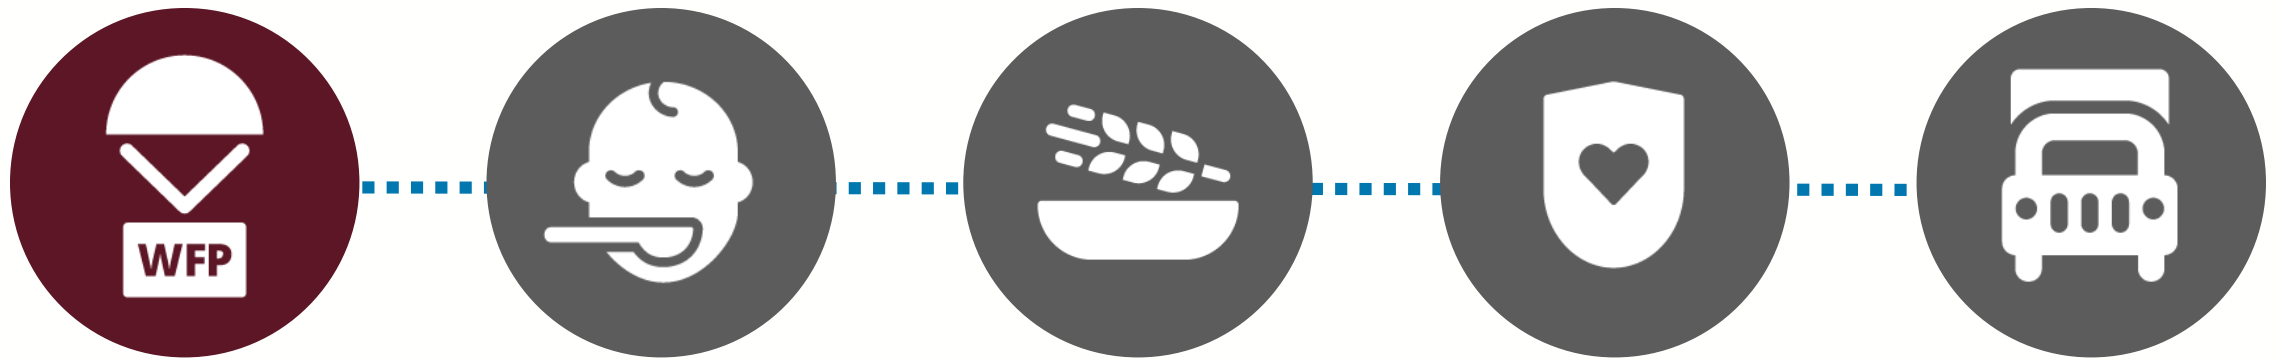

- **Ethnic** inclusion
- **Gender** equality
- **Women's** empowerment
- **Lifecycle** approach
- **Climate change** adaptation

A photograph of two women sitting at a wooden table in what appears to be a classroom or workshop. The woman on the left is wearing a red t-shirt and is pointing at a blue smartphone held by the woman on the right. The woman on the right is wearing a green patterned blouse and is looking down at the phone. In the background, other people are seated at tables, some wearing white shirts. The overall atmosphere is one of collaborative learning or training.
