

This Country Strategic Plan
contributes to the national development
plans and priorities

Our approach aims at strengthening the country and its institutions' capacities

Transformative approach
focused on innovation,
resilience, technology
and employment

Our goal is based on improving nutrition and strengthening food systems

Strengthening
social protection systems
and supporting national
emergency response

Programa
Mundial de
Alimentos

Key partnerships
with Government, inter-agency,
regional and international cooperation,
private sector, NGOs and United
Nations Agencies

Improve diets, nutrition, resilience
and end hunger

¡Maltiox!

(Thank you in Quiché)
