

COLOMBIA CSP (2021 – 2024)

UNSDCF

1. STABILIZATION: PEACE WITH LEGALITY

2. MIGRATION AS A DEVELOPMENT FACTOR

3. SUPPORT FOR CATALYZED SDGS

PILLARS

CSP

1. People and communities in a situation of food vulnerability in the PDET municipalities improve their quality of life by strengthening their resilience and sustainable livelihoods and local governments strengthen their capacities, contributing to the stabilization and consolidation of the territories.

2. Venezuelan migrants, Colombian returnees and members of host communities receive humanitarian assistance, equitable access to quality differential services and expeditious and massive access to the labour market and entrepreneurship options, with a focus on food security and nutrition.

3. The public policies, institutional capacity, systems and services for the promotion of food security, nutrition and social inclusion are technically strengthened and vulnerable populations have access to adequate and nutritious food for the acceleration of catalytic SDGs, in particular SDG 2.

OUTCOMES

Livelihood Recovery, improving the capacities of self-consumption, resilience and adaptation to climate change in PDET municipalities.

Quality humanitarian assistance.

Strengthening public policies, institutional capacities, food and nutrition security systems and services, social protection and crisis preparedness and response capacity.

OUTPUTS

Business, commercial and productive assistance for the promotion of productive projects and PDET initiatives, for productive diversification, the rescue of ancestral knowledge and sustainability, and for access to local markets.

Access to emergency school feeding and other services provided by the Government.

Strengthening policies and capacities of the School Food Program (ESP) and access to school feeding in prioritized territories.

Development of soft skills for community leadership, job inclusion, empowerment and the care economy of women and youth.

Capacity strengthening and access to the labour market, entrepreneurship options and urban livelihoods that contribute to socio-economic integration.

Malnutrition prevention and access to nutritive and/or complementary foods that integrate diversity and sustainability on the diet.

Capacity building and access to information tools for government institutions responsible for economic revival.

Development and implementation of educational and communication strategies for the prevention of xenophobia and social integration.

In coordination with UNCT, and as a complement to the efforts of the Colombian State

Cross-cutting objectives and activities

Nutrition, Gender equality and women's empowerment, Ethnic groups, Strengthening of national and local capacities and innovation, Environment, People with disabilities, Protection.
