THE ICSP FORMULATION PROCESS

Broad consultation, robust evidence, strong alignment:

• UN operates under the **UNDAF 2019 - 2023** (steps towards a CCA & CF underway).

• **Consultative approach**: Feedback received from the Govt, donors, IFIs, UN Agencies, NGOs, cooperating partners, and private sector, beneficiaries through CFM mechanism.

• **Guidance and internal discussion** with the Regional Bureau Nairobi, and with HQ.

• **Aligned with Government’s priorities** and National Development Plan (2018 – 2027).

• Informed by **previous ICSP** (2018 – 2020) lessons learned, evaluations.
**BURUNDI ICSP 2022–2024**

**Snapshot**
- 5 Strategic Outcomes
- 12 Outputs
- 8 Integrated Activities
- 2,291,750 Direct Beneficiaries
- USD 253 million required over three years

**What’s new?**
- Integration of activities (crisis response – resilience – nutrition)
- Focus on food systems
- Nutrition sensitive mainstreamed
- Focus on climate change
- Gender equality and transformative approach
- Positions WFP as technical partner rather of implementing partner
- Shift of modality toward more CBT
- Safety net mainstreamed through SOs

---

**SO1 Emergency**
Refugees, returnees, IDPs, food insecure HH (Crisis response)

**SO2 Nutrition**
Pregnant Lactating Women and Girl, Children under 2 and 5, PLHIV, TB (Resilience)

**SO3 Food systems**
School-aged children, returnees and host communities, IDPs, PLWG and CU5 (Resilience)

**SO4 Capacity strengthening**
Government, private sector, NGOs (Resilience)

**SO5 On demand services**
Government, Development and humanitarian partners (Crisis response)
We work together with national and local governments, United Nations agencies, private sector and with the communities that we serve – which are critical to build sustainability and stability.

**Government and line ministries are our key partners**

**Joint programmes with UN agencies and IFI to identify synergies and enable impactful delivery of ICSP**

**Private sector linkages and a network of cooperating partners and retailers**

**New PAP: international development partners and donors for alignment and impactful programmes**

**Innovative solutions for improved value chains and strengthened food systems**

**Consultations with beneficiaries and serving communities and empowering vulnerable groups**
