*ETC Coordination*

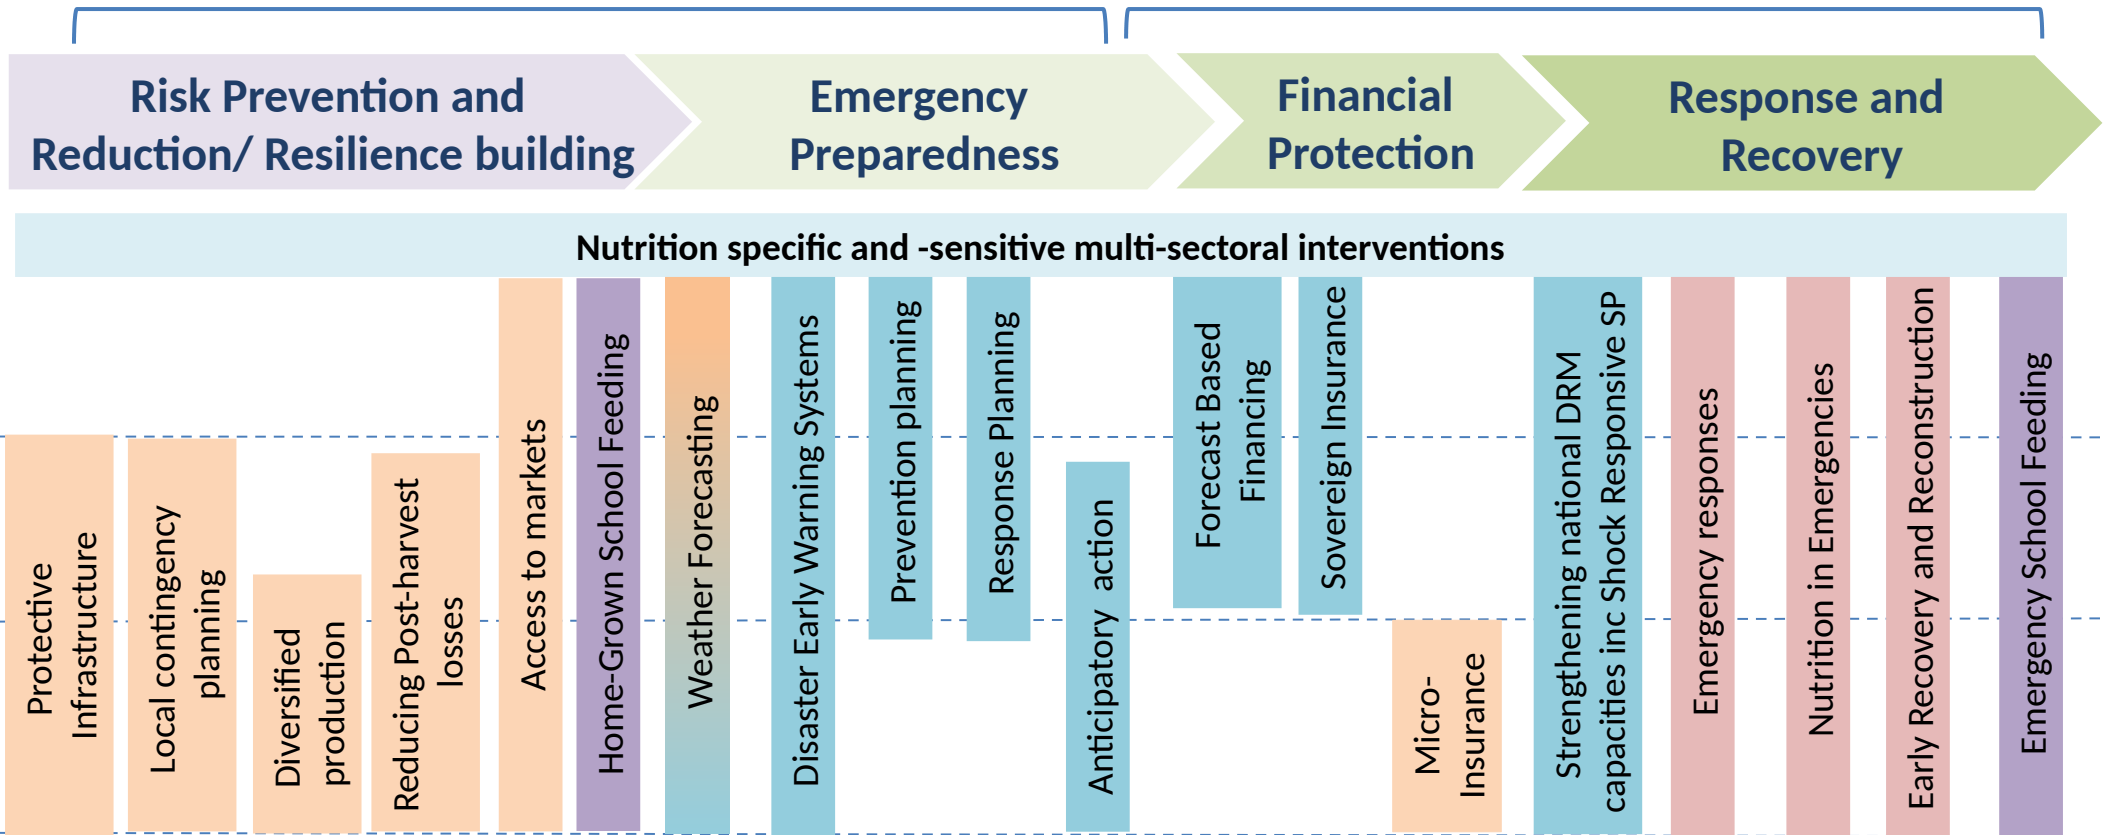

**ACTIVITY 12:**  
*UNHAS*

**Service provision and platforms activities**

# Risk-informed programming = Integrated programming

Helping people reduce losses

Helping people cope with losses

- ACTIVITY 1:** Provide integrated food and nutrition assistance to conflict and disaster-affected people.
- ACTIVITY 2:** Support national and local actors to deliver nutrition specific and -sensitive multi-sectoral interventions to address malnutrition.
- ACTIVITY 3:** Provide an integrated package of support to enhance climate-adaptive, productive, aggregation, marketing and decision-making capacities of communities, particularly women, and young small-scale food producers
- ACTIVITY 4:** Provide support to national and government actors to prepare for, respond to and recover from natural and man-made disasters.
- ACTIVITY 5:** Provide support to the government for nationally owned home-grown school feeding programmes to chronically vulnerable or shock-affected primary schoolchildren

# WFP Mozambique CSP 2022-26

## Focus area: CRISIS RESPONSE

**Change pathway:** Meeting emergency food, nutrition & essential needs

*Life-saving, nutritious support for the most at-risk during and after shocks*

## Focus areas: RESILIENCE BUILDING & CRISIS RESPONSE

**Change pathway:** Providing advisory solutions & augmented services

*Essential air, cluster and on-demand services, to the humanitarian and development community*

### SO1. Food access during crisis

### SO2. Prevent malnutrition

## Leave No One Behind

- Support to national priorities
- Climate-adaptation integration
- Nutrition integration
- Gender transformation
- Food systems focus
- Triple nexus approach
- Tech, digital innovation
- Evidence-based advocacy

### SO5 & 6 Service Provision

### SO4. Strengthening institutional capacity & systems

### SO3. Sustainable food systems

## Focus area: ROOT CAUSES

**Change pathway:** Addressing structural vulnerabilities & building human capital

*Safe year-round access to adequate and nutritious food, and increased resilience for those most at-risk.*

## Focus area: RESILIENCE BUILDING

**Change pathway:** Improving livelihood & risk management

*Improve adaptation and resilience to climate shocks and enhance livelihoods and productivity*

## Focus area: RESILIENCE BUILDING

**Change pathway:** Strengthening institutional capacity & systems  
*Effective partnerships to support disaster risk management and social protection systems to achieve #ZeroHunger*

**Thank you**
