<sup>1</sup> In 2022, WFP introduced the residence status of migrants to align with the International Organization for Migration (IOM). IOM defines a migrant as any person who is moving or has moved across an international border or within a State away from his/her habitual place of residence, regardless of: 1) the person's legal status; 2) whether the movement is voluntary or involuntary; 3) what the causes for the movement are; or 4) what the length of the stay is.

<sup>2</sup> In 2021, CBTs and commodity vouchers were split into two separate transfer modalities. 2021 cannot be compared with previous years.
