# Informal Consultation on the Country Strategic Plan 2024-2028

**18 December 2023**

# MADAGASCAR COUNTRY CONTEXT

## HIGH LEVELS OF POVERTY

77% of the population living in extreme poverty

## HIGH FOOD INSECURITY

119 out of 121 countries on the 2022 Global Hunger Index

**LIMITED AGRICULTURAL PRODUCTIVITY** and lack of crop diversification

## WIDESPREAD MALNUTRITION

39.8% of children <5 affected by stunting and 8% affected by wasting

**HIGH VULNERABILITY TO CLIMATE CHANGE**

**GENDER INEQUALITY AND PROTECTION RISKS**

## RAPID POPULATION GROWTH

Projected growth from 29 to 59 million by 2050

**VULNERABLE TO MACRO-ECONOMIC SHOCKS** such as high prices for food, fuel, fertilizers

# STRATEGIC AND PROGRAMMATIC SHIFTS

## STRATEGIC VISION:

TRANSFORM FOOD SYSTEMS AND ENHANCE SOCIAL PROTECTION FOR A MORE RESILIENT MADAGASCAR

### HUMAN CAPITAL INVESTMENT

**Nexus approach** and emphasis on **preparedness** and shock-responsive social protection **over** emergency response

Support to the Government for an **inclusive and effective social protection system**

Increase resilience through **rural socio-economic transformation**

### KEY ENABLERS:

Partnerships, Technology, Innovation and Focus on Capacity Strengthening

# 2<sup>nd</sup> GENERATION CSP ALIGNMENT

## NATIONAL DEVELOPMENT PLANS

### NATIONAL PRIORITIES

- Madagascar “Plan Émergence”
- National Strategy for Social Protection (2024-2028)
- National Strategy for Home-Grown School Feeding and Nutrition (2020-2024)
- National Plan for Climate Change Adaptation
- National Nutrition Multisectoral Plan (2022-2026)
- National Agricultural Development Plan

### UNSDCF 2024-2028

*National humanitarian response plan*

**Priority 2:**  
Ensuring human capital development

**Priority 3:** Support labour productivity and the creation of jobs for decent incomes and a competitive economy  
**Priority 4:** Strengthening sustainable, resilient, and inclusive environmental management.

**Priority 2:**  
Ensuring human capital development  
**Priority 4:**  
Strengthening sustainable, resilient, and inclusive environmental management

*National humanitarian response plan*

### WFP 2G CSP

**Outcome 1:** People in Madagascar affected by seasonal or other shocks are prepared and able to meet their immediate food and nutrition needs throughout the year

**Outcome 2:** Groups at risk are part of the national social protection scheme with improved nutrition and education outcomes contributing to enhanced human capital development

**Outcome 3:** Communities benefit from productive, inclusive, and sustainable food systems that contribute to improved food diversity, livelihoods, and resilience to shocks

**Outcome 4:** Government and national stakeholders have enhanced capacities to manage food & nutrition programmes, social protection and emergency preparedness and response systems

**Outcome 5:** Government, humanitarian and development actors have improved access to mandated and on-demand services, and benefit from innovative solutions to deliver assistance

# Thank you!
