Millions of food-insecure people
Expansion of presence of non-state armed groups in the Sahel since 2013

2013

2023
COMPLEX HUMANITARIAN ACCESS BUT WFP TEAMS ARE STAYING AND DELIVERING WHERE NO ONE ELSE CAN

Cross-border corridors in Chad

Airlift operations in Burkina Faso
WFP teams are also increasing levels of assurance to ensure every dollar reaches the right people.

1. Complaints and feedback mechanism
2. Risk-based monitoring
3. Commodity management
4. Digitalization of in-kind distributions

Additional USD 28 million investment is required.
Funding is not meeting the needs of the most prioritized populations, threatening starvation.

In Chad, Nigeria, Mauritania, Burkina Faso, Cameroon and Mali.

Prioritization of the most in need
