ANNOTATED BIENNIAL PROGRAMME OF WORK OF THE EXECUTIVE BOARD (2014–2015)

(classified by subject and session)

POLICY ISSUES

EB.A/2014 (3–6 June)

➤ *Annual Performance Report for 2013 (A)*

General Rule VII.2 states: "Each year the Executive Director shall submit to the Board for its approval an Annual Report and other reports as directed by the Board". Governance recommendation (h), approved by the Board at its Third Regular Session in 2000 (decision 2000/EB.3/1 – Follow-up to Executive Board Decision 2000/EB.A/6 on Governance), states: "An Annual Performance Report should be developed based on the Biennial Management Plan previously approved".

The Annual Performance Report for 2013 aims to present a relevant and evidence-based analysis of WFP's performance, reflecting the commitments made for the year as defined in the Strategic and Management Plans.

➤ *Update on WFP's Role in the Humanitarian Assistance System (C)*

This document will provide an update on WFP's role in the multilateral humanitarian assistance system and the most recent reforms undertaken within the Inter-Agency Standing Committee to strengthen the cluster coordination, leadership and accountability of humanitarian action in a context of growing and complex challenges and emergencies.

➤ *Comprehensive Strategy on Corporate Partnerships (C)*

Further to the Strategic Evaluation — From Food Aid to Food Assistance: Working in Partnership (EB.1/2012) which recommended that WFP develop a partnership strategy in order to more strategically and systematically manage its partnerships, and in line with WFP's Fit-for-Purpose and 2014-2017 Strategic Plan, the WFP partnership strategy will be shared with the Executive Board.

The partnership strategy will provide guidance for the identification and strengthening of key partnerships to enhance the impact of WFP activities for our beneficiaries in a cost-effective manner. The strategy will present WFP's definition of partnerships and its partnership principles and will contribute to the implementation of the Strategic Plan. The strategy will provide the rationale for the guidance needed on the appropriate tools, capacities and agreements that will enable WFP staff to engage in sustained and results-oriented partnerships.

➤ *Comprehensive Strategy on Human Resources (C)*

Following the approval of WFP's Strategic Plan, the Comprehensive Strategy on Human Resources will outline measures to be taken to ensure that the organization's approach to the management of human resources and staffing profile is aligned with the capacity requirements as foreseen in the new Strategic Plan.

➤ *Update on WFP's Response to HIV and AIDS (I)*

The annual update on HIV/AIDS will provide a progress report on the implementation of WFP's new HIV and AIDS Policy (WFP/EB.2/2010) against the backdrop of the continued scale-up of treatment with anti-retroviral drugs. In addition, it will summarize recent successes in integrating food and nutrition into HIV and tuberculosis (TB) Global Fund proposals.

➤ *Update on the Implementation of the WFP Gender Mainstreaming Accountability Framework (I)*

At its Annual Session in 2012, the Board requested the Secretariat to report on the implementation of its Gender Mainstreaming Accountability Framework on an annual basis. WFP's Accountability Framework including minimum standards, is fully aligned with the United Nations system-wide action plan (UNSWAP) and its performance indicators. The annual report will therefore provide information on progress made against the baselines established for both frameworks. This will include an overview on achievements, opportunities and challenges.

➤ *Update on the Implementation of the Protection Policy (I)*

As agreed with the Board at its 2012 First Regular Session when the WFP Humanitarian Protection Policy was approved, the Secretariat will update the Board on the implementation of the protection policy. An implementation plan was presented to the Board at the 2012 Annual Session, which gave an outline of a multi-year action plan to improve protection outcomes and integrate protection concepts into all aspects of WFP's work, focused particularly on: i) training and capacity development; ii) support for operations; and iii) inter-agency and bilateral cooperation.

EB.2/2014 (10–14 November)

➤ *Update on the WFP Gender Policy (C)*

At its First Regular Session in 2013, the Board requested that an Update to the Gender Policy be submitted for consideration to the Second Regular Session in 2014. The current WFP Gender Policy, approved in 2009, is not time-bound. Rather, it is rendered operational by the 2009–2011 WFP Gender Action Plan. This action plan was extended for two years, until 2013. In the second half of 2013, the Gender Policy will be the object of an evaluation, to be submitted to the First Regular Session in 2014. On the basis of the results of the evaluation, the management response thereto and the advice of the Executive Board, the Secretariat will present a revised Gender Policy document also incorporating the lessons learned from the first year's roll-out of the United Nations system-wide action plan (UNSWAP).

➤ *Update on the Collaboration of the Rome-Based Agencies (I)*

At the Second Regular Session in November 2010, Board members asked WFP to report annually on Rome-Based Collaboration as a follow up to the Directions for Collaboration among the Rome-Based Agencies (WFP/EB.2/2009/11-C). The report provides a comprehensive overview on the collaboration as outlined in the Directions paper (policy advice, knowledge and monitoring; operations; advocacy and communication; and administrative collaboration), as well as any new areas of collaboration, initiatives and partnerships for food and nutrition security.

➤ *Compendium of Policies relating to the Strategic Plan (I)*

At its Annual Session in 2000, the Board approved the recommendations contained in the Report of the Working Group on Governance (decision 2000/EB.A/6). Governance recommendation (d) established that WFP policy statements should be codified in a compendium. At the Board's request in 2010, this compendium, which is presented annually for information at EB.2, has been reorganized and redrafted to focus on policies relating to the goals in the Strategic Plan.

EB.A/2015 (25–29 May)

➤ *Annual Performance Report for 2014 (A)*

General Rule VII.2 states: "Each year the Executive Director shall submit to the Board for its approval an Annual Report and other reports as directed by the Board". Governance recommendation (h), approved by the Board at its Third Regular Session in 2000 (decision 2000/EB.3/1 – Follow-up to Executive Board Decision 2000/EB.A/6 on Governance), states: "An Annual Performance Report should be developed based on the Biennial Management Plan previously approved".

The Annual Performance Report for 2014 aims to present a relevant and evidence-based analysis of WFP's performance, reflecting the commitments made for the year as defined in the Strategic and Management Plans.

➤ *Update on WFP's Role in the Humanitarian Assistance System (C)*

This document will provide an update on WFP's role in the multilateral humanitarian assistance system and the most recent reforms undertaken within the Inter-Agency Standing Committee to strengthen the cluster coordination, leadership and accountability of humanitarian action in a context of growing and complex challenges and emergencies.

➤ *Update on WFP's Response to HIV and AIDS (I)*

The annual update on HIV/AIDS will provide a progress report on the implementation of WFP's new HIV and AIDS Policy (WFP/EB.2/2010) against the backdrop of the continued scale-up of treatment with anti-retroviral drugs. In addition, it will summarize recent successes in integrating food and nutrition into HIV and tuberculosis (TB) Global Fund proposals.

➤ *Update on the Implementation of the WFP Gender Mainstreaming Accountability Framework (TBC) (I)*

At its Annual Session in 2012, the Board requested the Secretariat to report on the implementation of its Gender Mainstreaming Accountability Framework on an annual basis. WFP's Accountability Framework including minimum standards, is fully aligned with the United Nations system-wide action plan (UNSWAP) and its performance indicators. The annual report will therefore provide information on progress made against the baselines established for both frameworks. This will include an overview on achievements, opportunities and challenges.

EB.2/2015 (9–13 November)

➤ *Emergency Preparedness and Response Policy (A)*

In the face of a constantly changing humanitarian context, the new policy paper on emergency preparedness and response will fill a critical gap in WFP policies, as identified in the 2011 Compendium of WFP Policies Relating to the Strategic Plan (WFP/EB.2/2011/4-B). It will seek to clearly define WFP's approach to emergency preparedness and response, focusing on the principles of accountability, transparency and risk management. The policy will build on the updated Emergency Preparedness and Response Framework (EPRF 2013), and reflect the findings of the evaluation of the corporate Preparedness and Response Enhancement Programme (PREP).

➤ *Update on the Collaboration of the Rome-Based Agencies (I)*

At the Second Regular Session in November 2010, Board members asked WFP to report annually on Rome-Based Collaboration as a follow up to the Directions for Collaboration among the Rome-Based Agencies (WFP/EB.2/2009/11-C). The report provides a comprehensive overview on the collaboration, as well as any new areas of collaboration, initiatives and partnerships for food and nutrition security.

➤ *Compendium of Policies relating to the Strategic Plan (I)*

At its Annual Session in 2000, the Board approved the recommendations contained in the Report of the Working Group on Governance (decision 2000/EB.A/6). Governance recommendation (d) established that WFP policy statements should be codified in a compendium. At the Board's request in 2010, this compendium, which is presented annually for information at EB.2, has been reorganized and redrafted to focus on policies relating to the goals in the Strategic Plan.

RESOURCE, FINANCIAL AND BUDGETARY MATTERS

EB.1/2014 (10–11 February)

➤ *Financial Framework Review: Working Capital Financing (C)*

The financial framework review proposal on working capital financing will address rationale in terms of enhanced project implementation while addressing potential risks. Options under consideration for the review of the working capital financing include: i) adjusting the size of the Operational Reserve, and ii) changing the leverage factor of the Operational Reserve (currently set at factor six). The objective of this and further proposals to be made later in 2014 is to introduce a financial model that enhances funding stability and the ability to plan costs, improves cost management and transparency to stakeholders.

The Board will also have before it, for information, the comments and recommendations of the Advisory Committee on Administrative and Budgetary Questions (ACABQ) and the FAO Finance Committee.

➤ *Method for Calculating Indirect Support Cost Rate for WFP (C)*

This paper will propose a method for calculating an indirect support cost rate for WFP based on first principles. It will draw on the 2002 "Final Report on the Analysis of the Indirect Support Cost (ISC) Rate" (WFP/EB.3/2002/5-C/1) and the 2006 "Review of Indirect Support Costs Rate" (WFP/EB.A/2006/6-C/1). It will review organizational and other changes in WFP since 2002. It will also review the methods used by other agencies such as the United Nations Development Programme and the United Nations Children's Fund in carrying out a similar review during 2009–2012 and consider its appropriateness for WFP. The paper will also address the impact of the Quadrennial Comprehensive Policy Review (QCPR) on the process.

The Board will also have before it, for information, the comments and recommendations of the ACABQ and the FAO Finance Committee.
