FUNDING ARRANGEMENTS FOR UNITED NATIONS STAFF SAFETY AND SECURITY

CORRIGENDUM

- i) The last sentence of the third paragraph of the Executive Summary should read: “Since the proposal to fund these costs out of the United Nations regular budget has not been accepted by the General Assembly (A/RES/59/276), WFP's share of security costs for the current biennium will increase.”
- ii) In the first sentence of paragraph 5, insert the words “on a one-off basis” after “... approval to cover from the General Fund”.
- iii) The second sentence of paragraph 5 should read: “As a result of the decision of the General Assembly (A/RES/59/276), the total amount for these costs for WFP will be US\$16 million for the current biennium.”
- iv) Paragraph 14 should read: “Since the funding of field security costs from the United Nations regular budget has not been accepted, the new proposals of the Secretary-General add US\$45 million of UNSECOORD's costs to the amount which needs to be cost-shared in 2005. This means that WFP's share of the total UNSECOORD costs for the biennium will exceed the original projection of US\$12.2 million by US\$1.0 million.”
- v) In the title in the heading of the right-hand column in the table in paragraph 26, the word “estimated” should be deleted.
- vi) The footnote to the table in paragraph 26 should read: “Following the decision of the General Assembly (A/RES/59/276).”
