

Yemen

Fighting Famine

5 June 2017

- ❖ **Scaling up** to provide full rations to 6.8 million severely food insecure and 2.9 million with nutrition prevention and treatment by the end of the EMOP across Yemen
- ❖ **Improved targeting mechanism and prioritisation** to reach those most in need
- ❖ **In May, 4 million people reached** with general food assistance
- ❖ **UNHAS expansion** – an additional aircraft to service Amman – Sana'a 5 times per week

Yemen: Critical Challenges

- ❖ Insufficient Funding
 - *Voucher break in August*
 - *Complete pipeline break in September*
 - *Over 6.8 million affected*
- ❖ Potential access constraints at Hudaydah Port
 - *Contingency plans prepared*
- ❖ Cholera outbreak

- ❖ Increasingly dire humanitarian situation in an important geo-political arena
- ❖ Delays within the supply chain
- ❖ Challenges reaching those in need due to security or bureaucratic reasons
