

Fighting Famine: North East Nigeria

04 September 2017

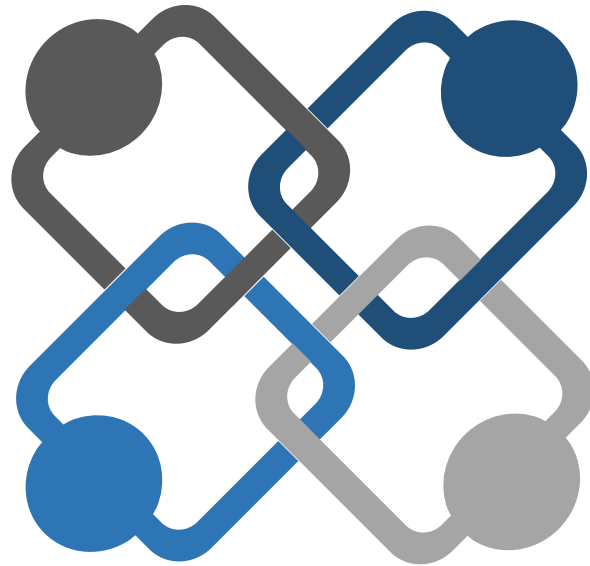

Famine averted in NE Nigeria - Key Success factors:

**TARGETING &
PRIORITIZATION**

1.1 MILLION REACHED

**CONSTANT
ASSESSMENTS**

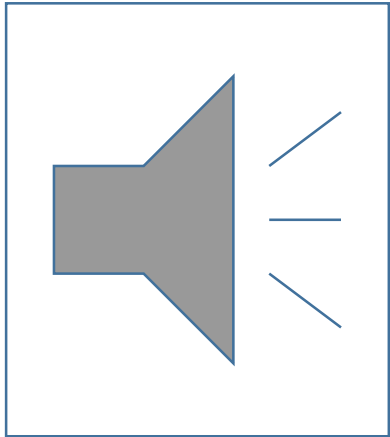

RETURN STRATEGY

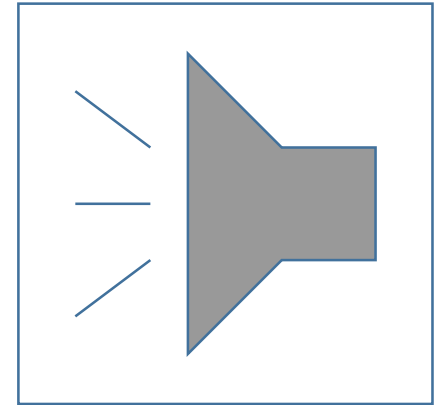

**DONOR SUPPORT & LOCAL
PROCUREMENT**

PARTNERSHIPS

Serious Challenges Remain

- **Insecurity**
- **Displacement**
- **Rainy Season**
- **Cargo from Lagos**

Way forward in Next months

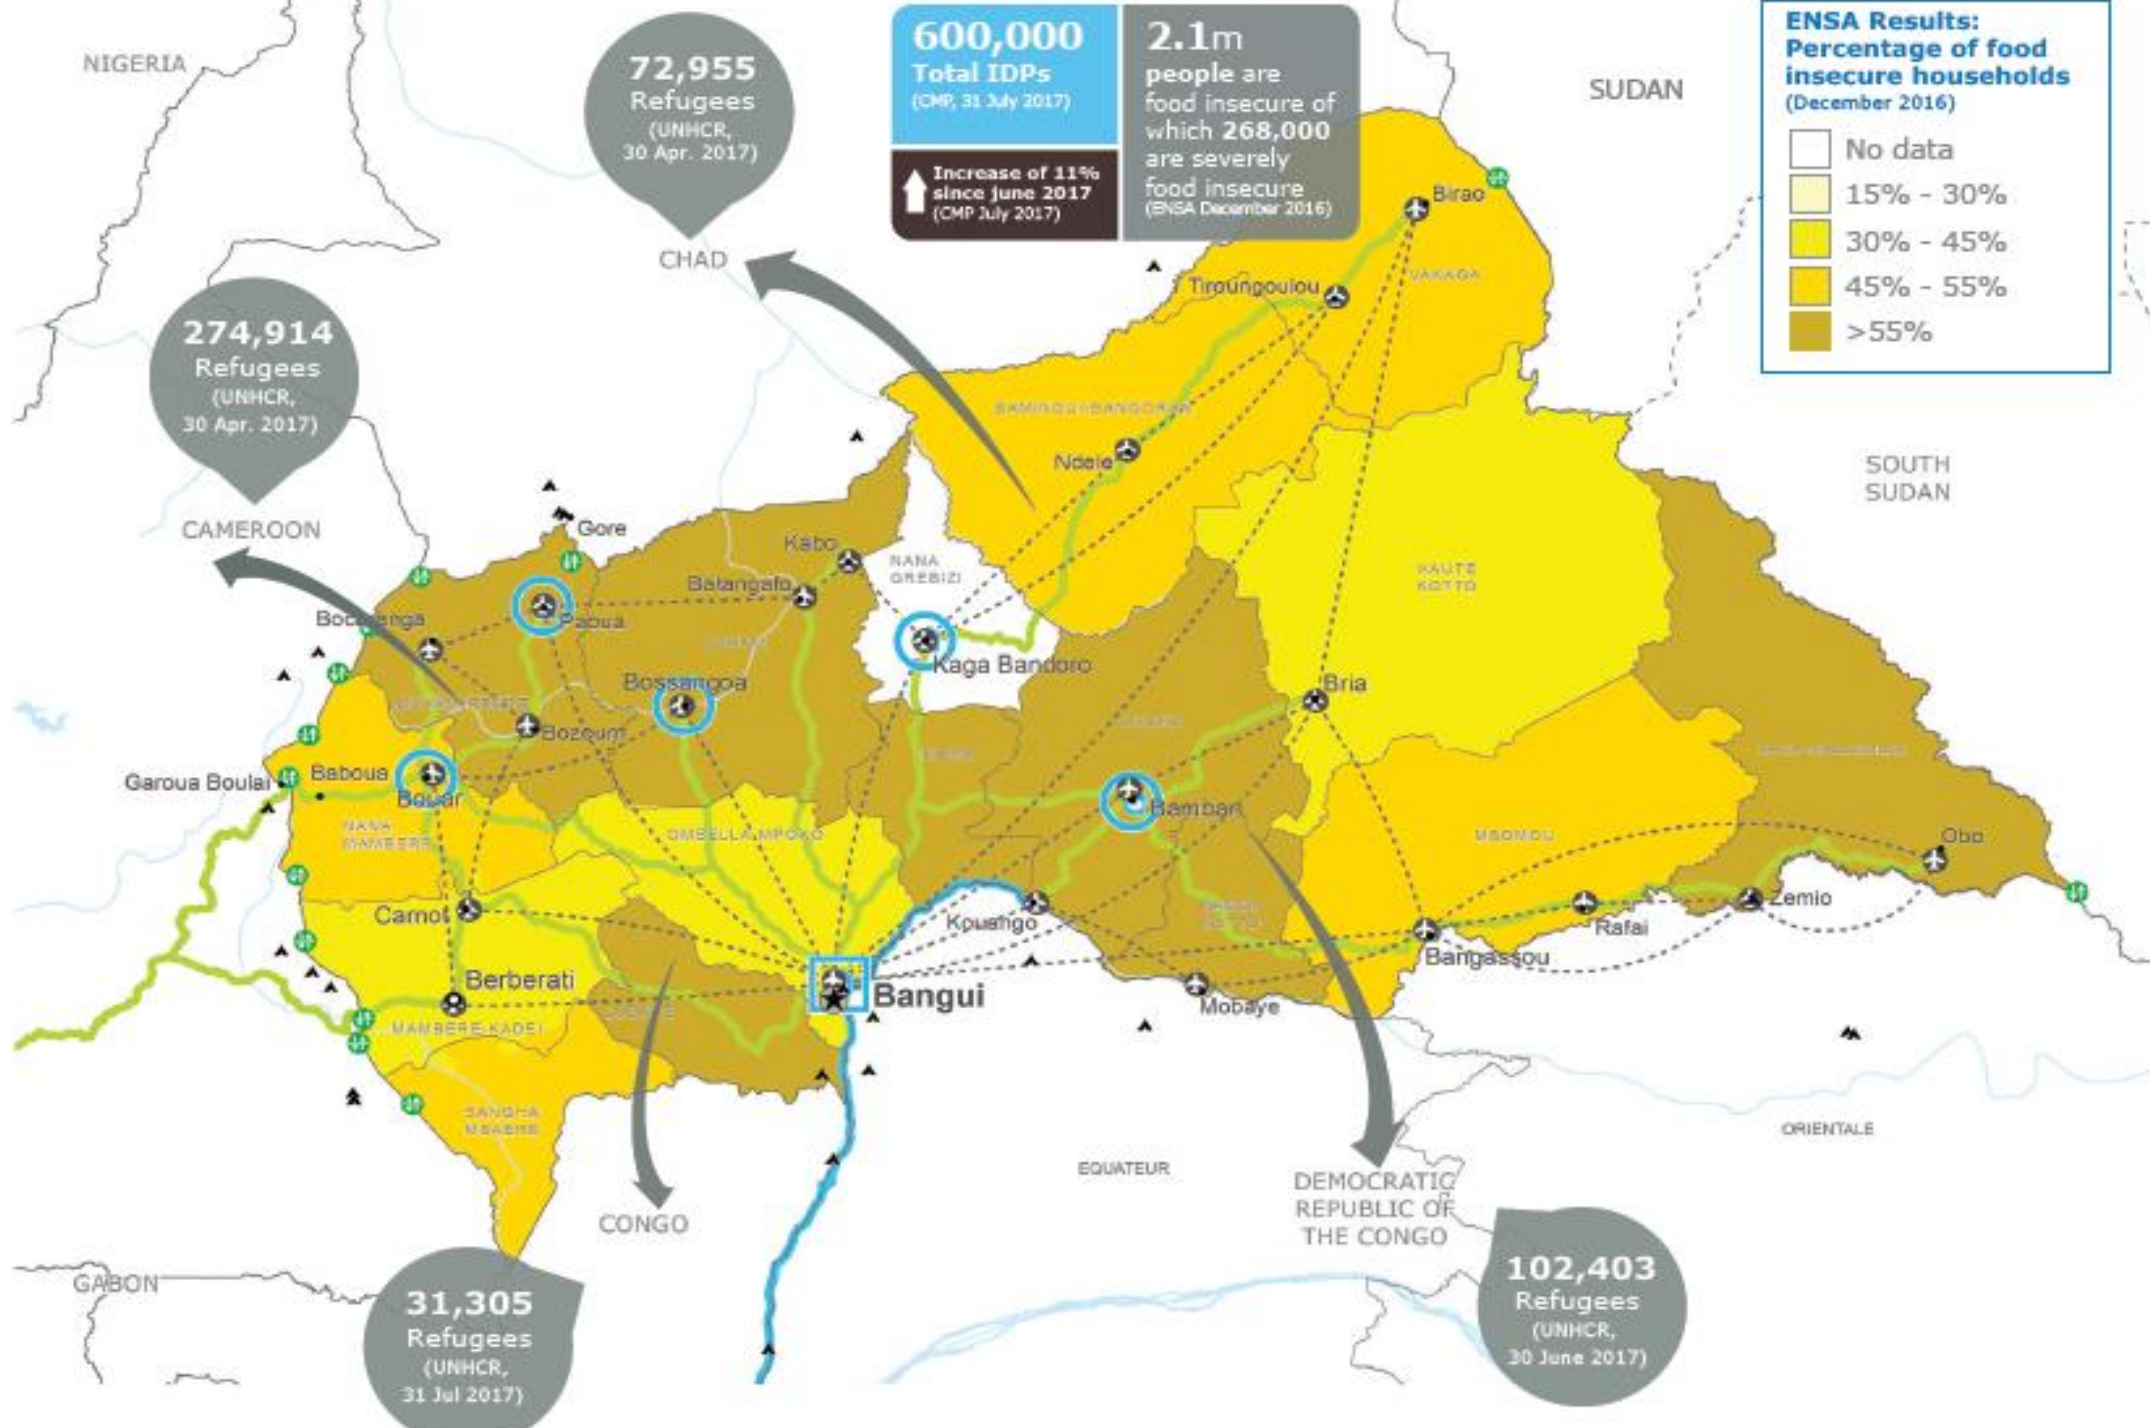

- **Continue emergency food assistance & nutrition interventions-**
 - **Increase focus on livelihood and resilience activities**
 - **WFP's Country Strategic Plan – Due for EB June 2018**
- 1.1 million**

Central African Republic:

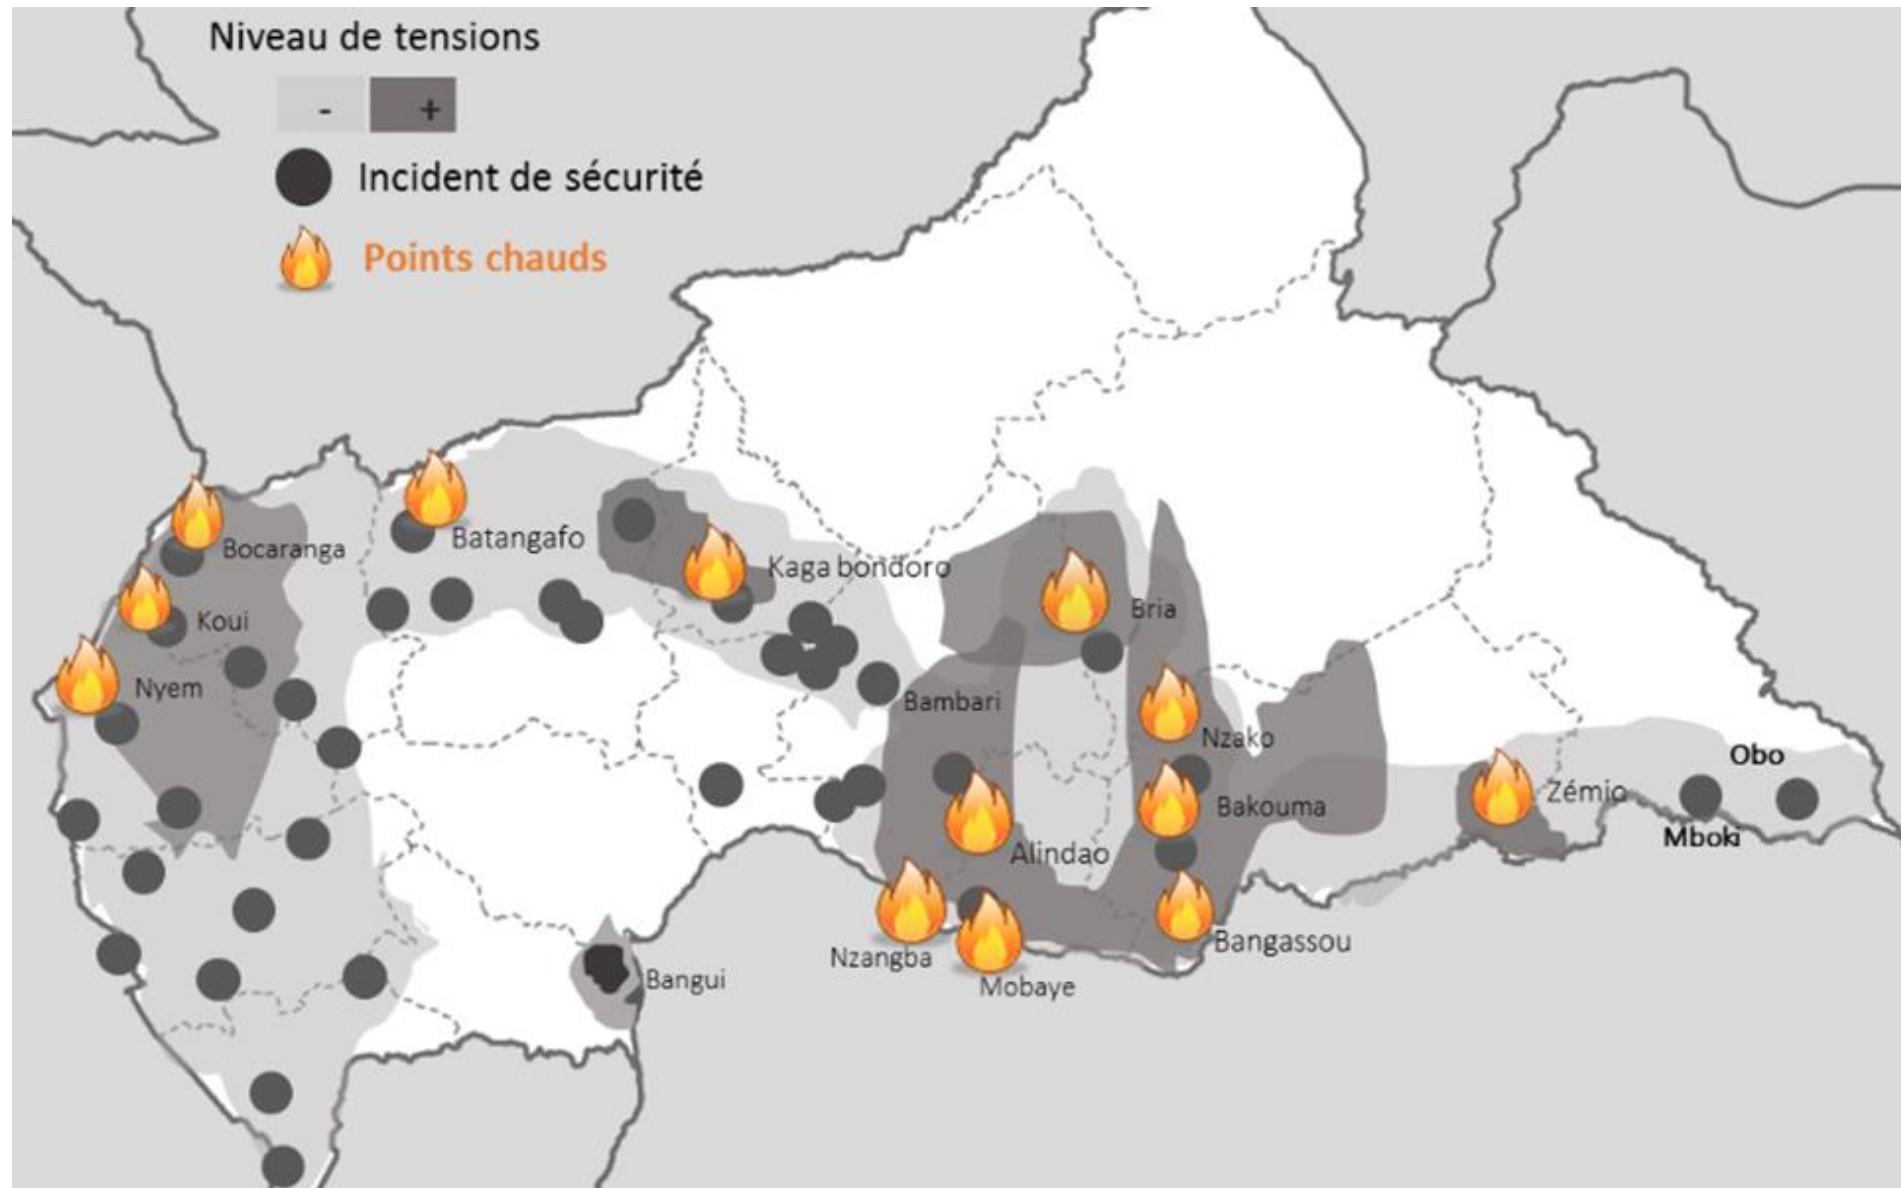

At the brink of a new humanitarian crisis

INTERNAL & REGIONAL IMPACT

Increasing and expanding hotspots

Way forward in Next months

- 1. Humanitarian access** to allow aid workers access to vulnerable people in need of support
- 2. DDR to restore peace and stability**
- 3. Funding** is urgently needed to respond to life-threatening needs, rebuild the national systems and enhance capacities
