Meeting room: Aula Delegatis – Aula I

(with interpretation)

(Breakfast will be served in the bar area of the Aula Delegatis)

You are kindly invited to the side event on Fostering an Organization's Evaluation Culture: Building on Both Accountability and Learning, which will be chaired by Amir Abdulla (Deputy Executive Director), along with Abdou Dieng, Miguel Barreto (regional directors) and Lola Castro (acting regional director).

This event will specifically feature the Operation Evaluation Series (2012–2016) recently concluded – and for which the final fourth annual synthesis will be presented to the November session, as well as a “spin-off” utility driven project initiated by the Office of Evaluation, the regional operational synthesis project. Participants will learn how the operations evaluations model provided a strengthened knowledge base, increased evaluation coverage and helped to embed evaluative learning and evidence in the programme cycle and implementation of the Integrated Road Map.

We look forward to welcoming you.
