Technical consultations on CRF, 12 Oct 2018

Update since 5 October:

- Endorsement of indicators by managers
- Additional paragraphs in the narrative (aggregation, implementation, accountability context)
- Management performance KPI (CAT I & II)

Scope of the meeting:

- Technical review of changes in indicators
- Explanation of business rules on the use of indicators

Indicators business rules

Mandatory indicators:

- Food security (mandatory for transfers – food or cash)

- Nutrition – all indicators mandatory, related to specific nutrition programmes

- Cross-cutting indicators – for SDG2, mainly for interventions with transfers (also wider)

Applicable indicators:

- Selected by COs, as per programme design, funding, security/access

# OSN New Indicators in WFP Corporate Results Framework

Nancy Aburto
Chief, Nutrition-Specific Team
Nutrition Division (OSN)

2018 October
