

United Nations South-South Cooperation Day

LEAVING NO ONE BEHIND IN ACHIEVING SDG2

Opportunities for the RBAs to broker South-South and Triangular Cooperation after “BAPA+40”

6 September 2019 | WFP Headquarters Auditorium

You are kindly invited to attend the Rome-based Agencies (RBAs) celebration of the 2019 United Nations Day for South-South Cooperation organized by the Food and Agriculture Organization (FAO), the International Fund for Agricultural Development (IFAD), and the World Food Programme (WFP). The event will take place on 6 September 2019, from 10.30 to 12.30 at WFP Headquarters (Rome).

The RBA event, which will feature voices from the field and host governments, will showcase country needs and country-led experiences, and highlight key take-away messages for the RBAs from “BAPA+40”. While the RBAs have been supporting South-South and Triangular Cooperation (SSTC) for years, the event will shed light on some concrete examples from the field that speak to the above theme, such as RBA-facilitated SSTC to promote family farming, empower rural women to better access market opportunities, and create opportunities for rural youth.

Welcome coffee at 10.00 and a light lunch from 12.30 onwards will be served in the WFP Peace Garden.

You can register for this event by sending an e-mail with your name, organization and ID number to katherine.gaylord@wfp.org until **2 September 2019**.
