CSW67: Virtual Side Event:

**'Strengthening Sustainable Livelihoods and Access
to Markets for Rural Women:
Experiences from the Joint Programme
on Rural Women's Economic Empowerment'**

Hosted by: FAO, IFAD, UN Women, WFP
Tuesday 14 March 2023 09:00-10:15 EST (14:00-15:15 CET)

French interpretation will be available.

This side event will share experiences and practices including a focus on increasing women's access to markets and value chains, and achieving sustainable livelihoods, including through enabling rural women's access to technology and innovations. Speakers from JP RWEE countries will join to both discuss experiences of holistic programming for women's economic empowerment, including a focus on experiences from Nepal, Niger and Rwanda, and to discuss strategies and approaches required at policy and programme level to accelerate rural women's economic empowerment.
