

# **São Tomé and Príncipe** Country Strategic Plan 2024-2028

**Executive Board Informal Consultation 27 July 2023** 

SAVING LIVES CHANGING LIVES

### OPERATIONAL CONTEXT

#### **Population**

- Population of 215,000
- 50% under 25 years
- 30% live on less than USD1.90/day

#### **Economy**

- Geographic isolation
- Reliance on imports
- 97% public investment financed through debt/Official development assistance

#### **Social**

- Inadequate social protection coverage
- Limited economic opp. for youth
- Persistent Gender based violence

# Health & Nutrition

- High anemia prevalence (65% children under 5)
- Increasing overweight, obesity and noncommunicable diseases

#### **Climate Change**

- High vulnerability to climate shocks
- Rising sea levels lead to floods, while drought accounts for 25% of hazards

## **2G INTEGRATED APPROACH**

#### **School Feeding**

Revised school feeding law & integration of school feeding into the social protection system

**Climate Adaptation** 

Green Climate
Fund and
subsequent
development of
a National
Adaptation
Plan

Local
Production
Focus on
resilient food
systems

**Emergency Preparedness** 

Contingency plan to prioritise SF/SHF with food assistance while developing DRM and early warning systems

## 2G CSP STRATEGIC FOCUS

- Gender equality
- Protection
- Partnerships for impact

- Advocacy
- Resource mobilization
- South-South Cooperation

• Climate adaptation

Green energy solutions
