Key achievements

- DI integration into the Gender Protection and Inclusion Service at WFP
- Launch of the Secretary General's report on Disability and Development with a chapter on Zero Hunger, co-written by WFP and TCD
- WFP and TCD's side-event and presence at the COSP in NYC on Inclusive Humanitarian Action and Unprecedented Risks
- UK parliamentary inquiry on disability-inclusive development
- WFP's focus on Food Security for the Global Disability Summit
- Annual Performance Review and Disability Inclusion Indicators

2024 Workplan

1. Regionalization and localization
2. Learn, adapt and innovate
3. Reduce barriers and respond to needs
4. Communicate, raise awareness and change mindsets
5. Emerging areas of interest:
 - An integrated approach to working with the Global Food Security Cluster
 - Anticipatory action and reducing climate shocks
 - WFP's engagement in the Care and Support Agenda
