- Ensure resource allocation system functions efficiently, transparently, and is informed by corporate priorities, including by providing independent review of proposed budgets
- Lead strategic initiatives on cost efficiency
- Deliver periodic CFO management information reporting

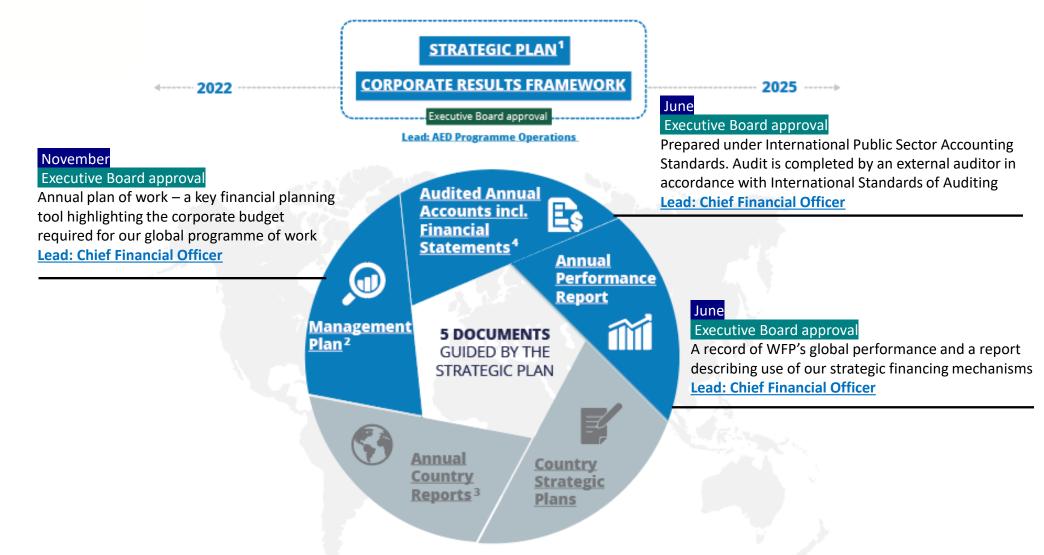

CFO Mandate & Key Responsibilities

Pillar 3 - Advisory & Expert Services

- Provide independent analysis, insight, and advice on WFP's financial position and performance to inform strategic, policy, and operational decision-making
- Manage WFP's internal advance financing mechanisms and risks across the larger strategic financing portfolio
- Manage WFP's investments and cash in a manner that preserves capital and liquidity and maximizes returns
- Oversee resource and financial risk management for insurance services

Planning and Performance Reporting Cycle

1: General Rule VI.1 2: Financial Regulation 9 3: General Rule VII.2 4: Financial Regulation 13

Assurance Cycle

ASSURANCE IS PROVIDED THROUGH THE FOLLOWING

Letter of Representation (LOR)

ED letter of representation to External Auditors, ascertaining management responsibility for preparation of WFP Financial Statements and accuracy and completeness of presentations made in them. The letter is informed by representations made by all Country Offices, Regional Bureaux and HQ Divisions on the appropriateness of financial information, internal controls and reporting obligations under their responsibilities.

Lead: Chief Financial Officer

ED's Statement of Internal Control (SIC)

Executive Board approval within Audited Annual Accounts

Provides assurance from ED on effectiveness of WFP's system of internal control. Financial Regulation 12.1 requires ED to establish internal controls to ensure effective and efficient use of WFP's resources and safeguarding of its assets.

Management Review of Significant Risk and Control Issues

Executive Board consideration

Describes and analyzes significant risk and control issues from previous SICs and includes updates on actions taken to mitigate risk.
