

SAVING LIVES CHANGING LIVES

# DEPARTMENTAL PRIORITIES

## **Primary Focus:**

Action the WFP Strategic Plan's outcomes, cross-cutting priorities and enablers.

## In addition to three further priorities:

Prioritize assistance for the most vulnerable, with strong field support

Help Country Offices to implement strengthened, efficient, and innovative programmes that tackle acute hunger and malnutrition at scale

Focus on where WFP can make the greatest difference, with integrated responses and partnerships

Ensure programme and operational quality

Assurance measures that improve accountability

Mainstream stronger assurance measures

# PROGRAMME KEY PRIORITIES

- ACTIONING THE STRATEGIC PLAN
  - Provide high-level, cohesive direction to guide WFP's programmatic work in the field
- OVERSEEING OUR POLICY PORTFOLIO
  WFP's policies are the 'normative framework' in which we work
- Generate and integrate data, analysis and insights across the programme lifecycle, and leverage them to support operations and inform programme design
- SUPPORT FOR THE FIELD

  Strategic and technical guidance for Country Offices on policy issues, high-quality implementation, and normative work

Executive Board
Annual session

Distribution: General Agenda item 5
Date: 29 May 2025 WFP/EB.A/2025/5-A
Original: English Policy issues

#### Localization policy

#### Draft decision

The Board approves the localization policy as set out in document WFP/EB.A/2025/5-A.

# PROGRAMME POLICY FUNCTION

- WFP currently has over **35 programme and management policies** in effect under the 2022-2025 Strategic Plan (to be carried over to the Strategic Plan 2026-2029):
- An update of the portfolio of policies is submitted annually and can be found as the "Compendium of Policies" on the Executive Board website.
- The Policy Cycle:
  - Identify need
  - Formulation
  - Implementation & Resourcing
  - Evaluation

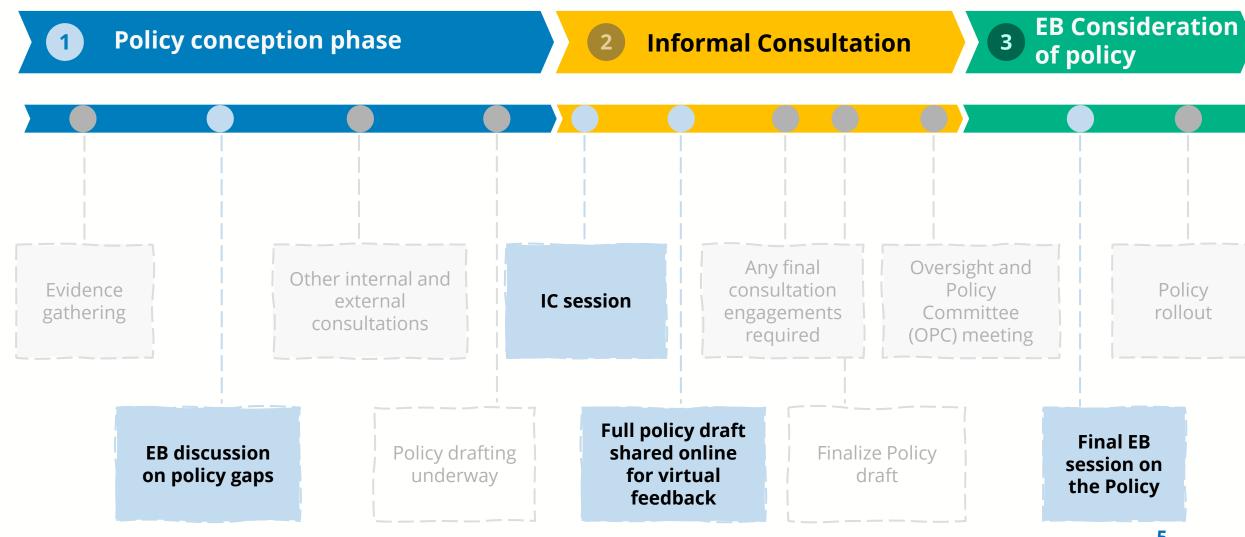

# Recent policy work includes:

- Resilience Policy update
- School Meals Policy update
- Localization Policy
