2024/EB.2/4 Second interim report of the Executive Board working group on the governance review: Remaining recommendations from the independent consultant’s report, recommendations from other governance initiatives and next steps

Having considered the report of the Executive Board working group on the governance review set out in document WFP/EB.2/2024/11-A, the Executive Board:

- i) *approved* the costed implementation plan for all remaining recommendations from the independent consultant’s report as set out in annex I of this document and *called for* their immediate implementation, as follows:
 - 1) sub-recommendation 2.2: the Board *commended* the efforts already made to rationalize and streamline Board documents under each of the governance frameworks; *endorsed* the

Secretariat's proposal to introduce more strategic, concise and timely policy documents within the word limits of the 2004 guidelines and a revised, simplified narrative template for country strategic plans (noting that the Board *advised* the Secretariat to share the revised template with the membership); *requested* the oversight functions to strengthen the key messages in oversight documents in line with the proposals outlined under sub-recommendation 5.3; and *requested* the Secretariat to improve the presentation of accountability documents as outlined under recommendation 6;

- 2) recommendation 3: the Board *requested* the Secretariat to update the WFP policy formulation framework to enable a more streamlined, efficient and predictable process and more effective and strategic guidance by the membership, as set out under sub-recommendations 3.1, 3.2, 3.3, 3.4 and 3.5;
- 3) sub-recommendation 3.1: the Board *endorsed* the Secretariat's proposal to conduct a policy analysis with each strategic plan every four years and a gap analysis as part of the annual policy compendium and *advised* the Secretariat to draw on the outcomes of policy evaluations conducted by WFP's Office of Evaluation to inform the identification of policy gaps and the assessment of the need for formulating new policies or updating an existing policy. The Board further *requested* the Secretariat to review the mechanisms in place for decommissioning outdated policies as part of its update of the WFP policy formulation framework;
- 4) sub-recommendations 3.2 and 3.3: the Board *endorsed* a three-phased approach for streamlining Board engagement on policy formulation, which entails: (i) conducting a strategic informal discussion between WFP management and the Board during the policy conception phase (including by exploring the use of workshops or other meeting modalities), informed by a policy brief; (ii) convening two informal consultations for the membership to review the advanced policy draft: an online written consultation where the policy draft will be shared on the virtual consultation platform for the membership to provide comments in writing, and an in-person consultation, noting that additional informal consultations may be called by the Board as necessary; and (iii) submission of the final policy for the Board's approval at a formal session. The Board further *requested* the Secretariat to highlight the main revisions made to the policy drafts following each informal consultation with the Board;
- 5) sub-recommendation 3.4: the Board *advised* the Secretariat to conduct broad internal and external consultations with stakeholders in a transparent and inclusive manner to inform the policy formulation process;
- 6) sub-recommendation 3.5: at the time of Board approval of new or updated policies, the Board *advised* that relevant plans for implementation and indicative budgets be provided as supplementary notes to policies;
- 7) recommendation 5: the Board *requested* the Secretariat to update the 2018 WFP oversight framework in line with its current workplan for transitioning to an oversight and accountability framework to implement recommendations from the Joint Inspection Unit report *Review of accountability frameworks of the United Nations system organizations* (JIU/REP/2023/3, paragraph 22) and submit the updated framework for the Board's approval;
- 8) sub-recommendation 5.3: the Board *endorsed* the efforts already made to rationalize and streamline Board documents on oversight and *requested* the oversight functions to further strengthen the key messages in these documents. The Board further *requested* the oversight functions to adhere to existing Board documentation submission deadlines for both formal sessions and informal meetings;

- 9) sub-recommendation 5.4: the Board *requested* the Secretariat to propose a list of Board session agenda items on which the Board needs to draw on the advice of the Advisory Committee on Administrative and Budgetary Questions and the Finance Committee of the Food and Agriculture Organization of the United Nations for all matters related to WFP financial administration in accordance with Article XIV.6 of the General Regulations, in consultation with the two advisory bodies, and to submit this list to the Board for its review and approval;
- 10) sub-recommendation 5.5: the Board *requested* the Secretariat to (i) centralize the follow-up actions and processes for all recommendations from all the oversight bodies to reduce the risk of overlaps and gaps, (ii) grant the membership access to WFP's oversight recommendations dashboard and (iii) ensure that the new WFP oversight and accountability framework encompasses mechanisms for following up comprehensively on recommendations from the oversight bodies;
- 11) sub-recommendation 5.6: the Board *requested* the oversight and advisory bodies to strengthen the coordination of informal Board meetings to increase efficiency. It recommended holding a minimum of three informal meetings per year with the Inspector General, the External Auditor and the WFP Risk Management Division. It also recommended maintaining its current engagement with the Office of the Ombudsman and Mediation Services and the Ethics Office (twice a year) and the Office of Evaluation (through the annual consultation on evaluation and the evaluation roundtables), noting that ad-hoc meetings may be called by the Board as necessary. The Board *recognized* the mandate of the Independent Oversight Advisory Committee to provide independent expert advice in fulfilling its governance responsibilities with regard to oversight matters and *recommended* the introduction of regular, direct interactions between the Board and the Independent Oversight Advisory Committee by inviting Board members to attend the regular Independent Oversight Advisory Committee debrief meetings. The Board *recommended* that the relevance of these informal meetings be periodically assessed, and adjustments made to their format, frequency or content, as necessary;
- 12) recommendation 6: the Board *recognized* that the annual performance report and management plan are core accountability documents and *appreciated* efforts already made to rationalize these documents to facilitate strategic discussions and decisions. The Board *advised* the Secretariat to enhance document presentation by (i) introducing key findings as bullet points at the start of each part of the annual performance report; and (ii) focusing the management plan on sections that require Board advice, reducing the length of narrative or contextual sections, and exploring ways to present complex information in a reader-friendly manner (such as through the use of graphic summaries and bullet points for explanations);
- 13) recommendation 7: the Board *requested* the Secretariat to include the definition of key concepts such as "strategy", "policy" and "enablers" in the forthcoming policy formulation framework document and specify the linkages between these concepts. The Board also *advised* the Secretariat to increase the visibility of WFP's strategies for the Board by publishing a comprehensive repository of strategies on the Executive Board website;
- 14) sub-recommendation 10.2: the Board *underscored* that the code of conduct to prevent harassment, including sexual harassment, within United Nations systems applies to all events of the Executive Board and *recommended* that the Executive Board follow United Nations best practices for codes of conduct concerning their governing bodies;

- 15) sub-recommendation 11.1: concerning the frequency, purpose, content, format and documentation of informal meetings, the Board:
- frequency: *advised* the Bureau to actively review the schedule of informal meetings in the Board calendar and the distribution of items in the Biennial Programme of Work of the Executive Board, and assess the strategic value and relevance of the planned meetings, in line with Rule V on the Functions of the Bureau in the Rules of Procedure of the Executive Board, recognizing that the Board reserves the right to request informal consultations as needed;
 - purpose: *advised* that each informal meeting be accompanied by a clear definition of the expected objectives and guidance being sought from the Board;
 - content and format: *advised* that informal meetings be clearly focused on strategic, policy, oversight and financial matters and that other modalities such as workshops, brown bags or online written consultations be explored to facilitate dialogue on more technical issues or other matters that do not lead up to a Board decision;
 - documentation: *requested* that a formal deadline for the submission of documentation for informal meetings be introduced to increase the strategic value of the feedback of the Board, namely two weeks before the meetings on documents to be subsequently submitted to the Board for decision and one week for other meetings on matters that do not require a Board decision;
- 16) sub-recommendation 11.2: the Board *requested* the Secretariat to implement a streamlined country strategic plan consultation process that begins with a four-week online consultation for the membership to provide written technical comments on draft country strategic plans, followed by an informal consultation focused on strategic issues, after the conclusion of the online review and the provision of management responses. The Board *advised* that the format for the presentation of country strategic plans during formal sessions remain as per current practice;
- For the presentation of operational matters, the Board also *advised* that regional overviews are no longer tabled during Board sessions and that regional operational matters be addressed as part of the oral global overview of humanitarian needs and operational concerns and priorities;
- 17) sub-recommendation 12.2: the Board *decided* to hold the first regular session in two parts in January and February: a brief session will take place in January and be solely dedicated to the election of the Bureau; following the election, the session will be suspended to resume in February to cover the standard business of current first regular sessions. Both parts will take place in person at WFP headquarters. The Board *decided* to maintain the current documentation posting deadlines for items to be discussed in February and noted that Rule III.6 of the Rules of Procedure of the Executive Board should be revised accordingly;
- 18) sub-recommendation 12.3: the Board *decided* not to introduce any change to the current Bureau membership term, whereby Bureau members are appointed for a tenure of one year;
- 19) sub-recommendation 12.4: the Board *advised* that the general roles and responsibilities of the List convenors be included in the handbook that will be developed under sub-recommendation 13.2 as described in the interim report of the working group (WFP/EB.A/2024/12-A/Rev.1); and

- 20) sub-recommendation 12.5: the Board *advised* that the use of digital tools be explored to support the work of List convenors.
- ii) *noted* that no further action was necessary on recommendation 4 and sub-recommendations 5.1, 5.2, 9.3 and 12.1, based on the working group's advice as follows:
- 1) recommendation 4: the working group had provided its recommendations to the Secretariat on the ongoing policy framework review, which is informing the finalization of WFP's forthcoming policy on policy formulation;
 - 2) sub-recommendation 5.1: an adequate level of coordination among the oversight bodies to prevent overlaps had been reached and synergies or similarities between oversight recommendations could be helpful in reinforcing or corroborating recommendations;
 - 3) sub-recommendation 5.2: coordination among the oversight functions on their workplans had improved, minimizing the impact on WFP teams;
 - 4) sub-recommendation 9.3: the proposal to leverage and expand the current online virtual consultation platform for policy matters had been addressed under sub-recommendations 3.2 and 3.3; and
 - 5) sub-recommendation 12.1: the proposal to facilitate a clear understanding of the role and responsibilities of the Bureau was addressed under sub-recommendations 13.1 (conduct a half-day introductory session for Bureau members) and 13.2 (develop a handbook for Bureau members) in the interim report of the working group (WFP/EB.A/2024/12-A/Rev.1).
- iii) further to sub-recommendation 12.2, which concerns holding the first regular session in two parts in January and February, the Executive Board *approved* the revision of Rule III.6 of the Rules of Procedure of the Executive Board as follows: "The Executive Director shall submit documentation relating to items on the provisional agenda, in the languages of the Board in accordance with Rule XIV, to the members of the Board and observers representing Members of the United Nations or Members or Associate Members of the Food and Agriculture Organization of the United Nations, normally four weeks before the agenda item is considered at a session. The documentation shall clearly present the issues proposed for decision by the Board."
- iv) *noted* that no further action was necessary on recommendation 4 from the report of the Joint Inspection Unit entitled *Review of governance and oversight of the Executive Boards of UNDP/UNFPA/UNOPS, UNICEF and UN Women* on sub-committees, especially with regard to oversight.
- v) *requested* the Secretariat to review, prepare responses and take action, as appropriate, on points outlined in the External Auditor's separate report on the specific examination of competencies transferred from the Executive Board to the Executive Director as laid out in annex II, taking note that action points 3 and 4 on budgetary matters had been issued as formal recommendations in the External Auditor's report on the audited annual accounts 2023 (WFP/EB.A/2024/6-A/1) and had been accepted by the Secretariat.
- vi) *requested* the Executive Board Secretariat to provide regular updates to the Board on the implementation of the above recommendations.
