Informal consultation with the Executive Board

WFP's Policy Formulation Framework

29 November 2024

Policy Framework Content

What is new?

- Clearer definitions of normative instruments
- Revised policy typology
- Gap analysis every four years (Strategic Plan)
- Policy compendium updates on gaps and other normative instruments
- Clarification on decommissioning policies

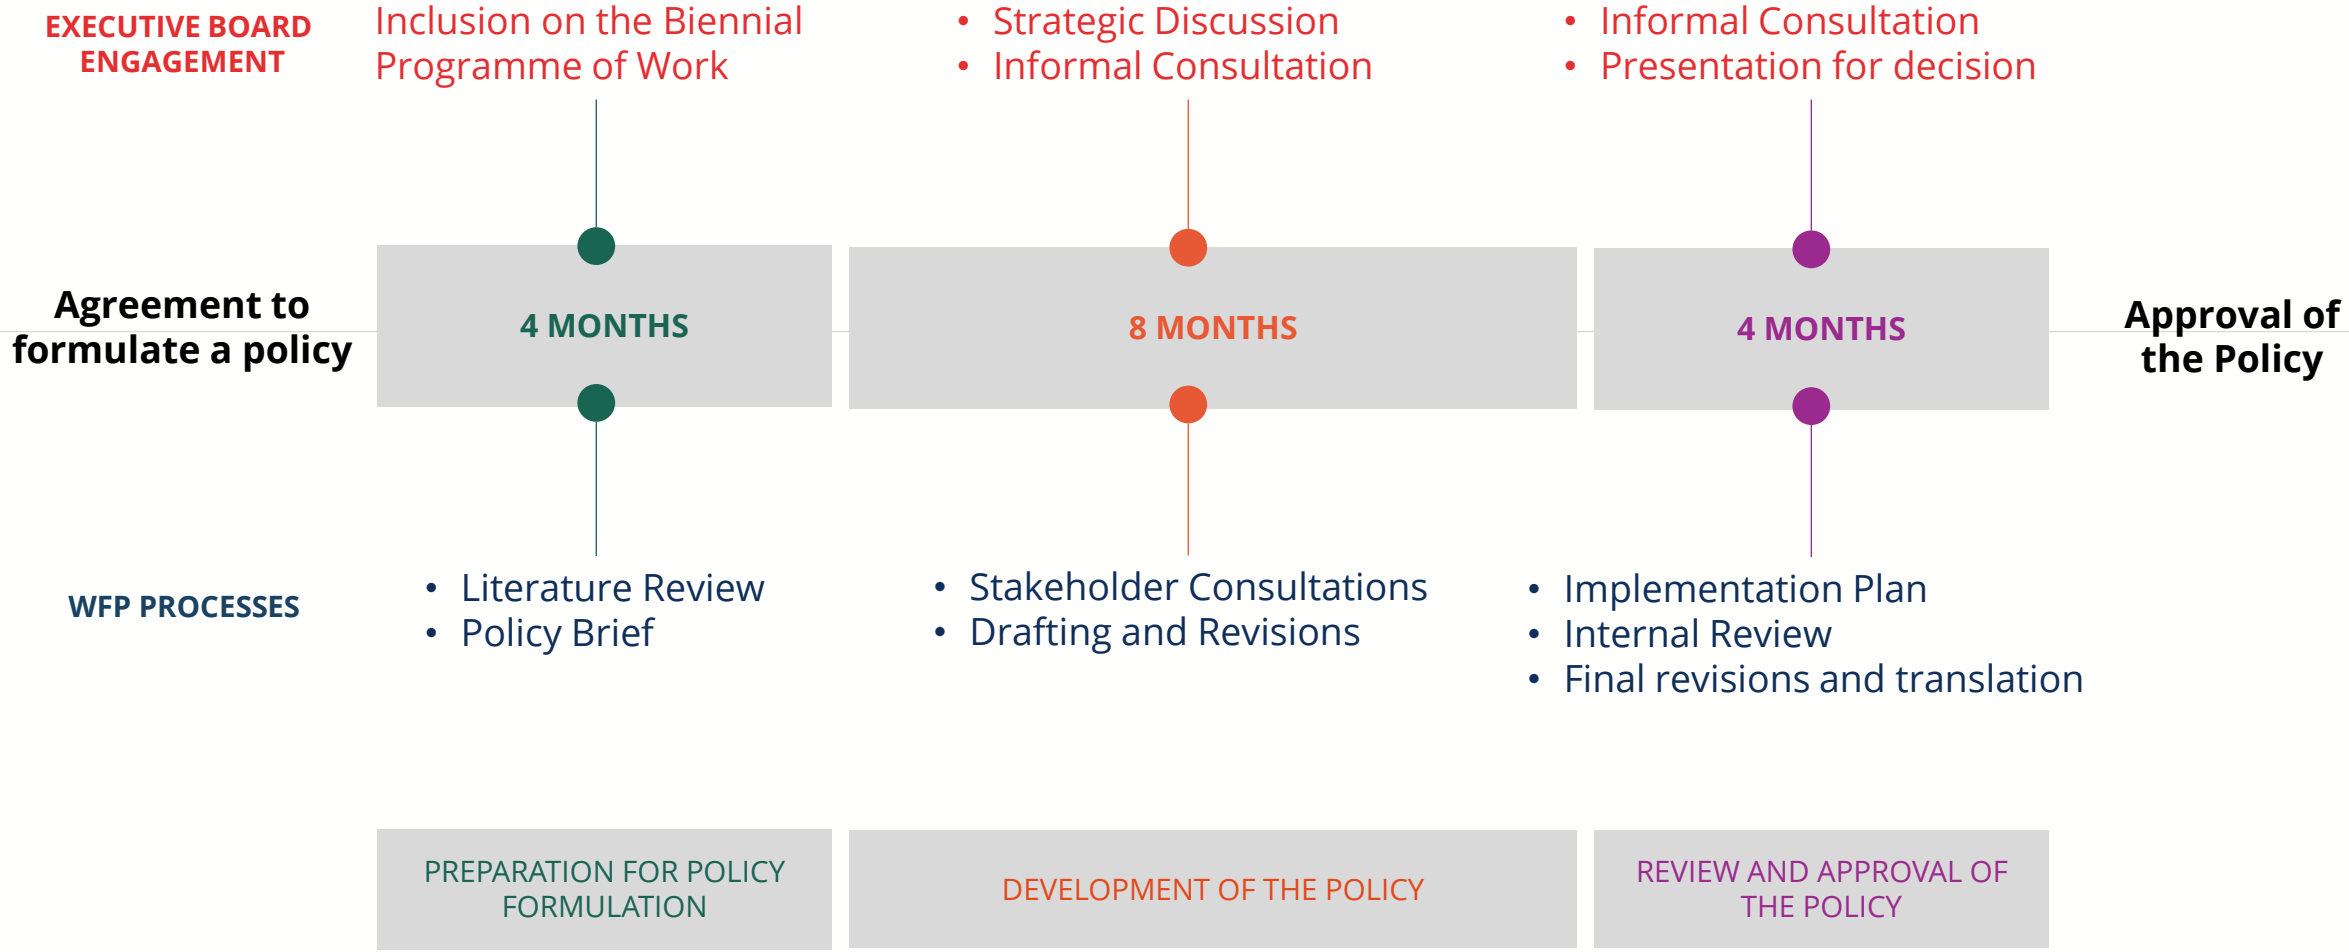

Engagement with the Executive Board

What is new?

- EB engagement to agree on policy gaps, new policies & policy updates
- Strategic workshop / consultation at outset of policy formulation
- Two informal consultations, use of online tools
- Supplementary implementation plan (with approval of policy)
- EB visibility on strategies

Policy Timeline

THANK YOU
