Evaluation & Learning: Use of CSPE evidence in CSP design

Management Response to the CSP evaluation of **Iraq** Country Office

Rec 1. Transition to climate resilience, preparedness and social safety nets

Agreed

Key actions

- ✓ Main programmatic areas of intervention (including social protection, emergency preparedness and climate resilience)
- ✓ CO will develop a comprehensive Livelihoods and Resilience Strategy which has its basis on the outcomes and activities approved under the CSP

CSP Activity 2 and 3

Rec 2. Focus CCS on integrate CBT, resilience, SP, preparedness into GOI systems

Agreed

Key actions

- ✓ Identify key thematic areas where WFP is best placed to support the government's social protection reform agenda,
- ✓ Collaborate with government to design and implement the social protection activity
Promote capacity building projects

CSP Activity 4

Rec 3. reconceptualize WFP's operations in Iraq for a low-funding profile

Partially Agreed

Key actions

- ✓ The new CSP is based on realistic funding outlook, the project activities and the country team reflects the expected fundings.
- ✓ The upcoming CSP has **60%** funded outlook

CSP Activity 1, 2, 3 and 4

Evaluation & Learning: Use of CSPE evidence in CSP design

Management Response to the CSP evaluation of **Iraq** Country Office

Rec 4. Diversify funding and ensure multiyear funding

Agreed

Key actions

- ✓ Developing of a strategic climate and resilience strategy. In order to attract appropriate funding. Which is being realized in multi-year funding from USA and potentially Canada
- ✓ Continuously engaging donors and other development partners including with private sector and stakeholders in resourcing for climate financing

CSP Activity/Output 2,3,4

Rec 5. partnerships for development interventions

Agreed

Key actions

- ✓ Partnerships and resource strategy that comprises a stakeholder analysis identifying areas of opportunities
Promote capacity building projects
- ✓ partnerships with government, universities, civil society, private sector and communities to build sustainable interventions.

CSP Activity/Output 4

Rec6. Embed a transformative and disability inclusive approach into all interventions

Partially Agreed

Key actions

- ✓ Gender equality, women empowerment and transformative approach are embedded within programs as designed per project proposals
Use of evidence from evaluations/ studies
- ✓ Visibility campaign started with information on hotline number. Weekly update on closed/pending cases established.

CSP Activity/Output 1,2 and 3
