Rwanda: significant economic progress but food security challenges remain

 **503 people per sq km, 2nd most densely populated country in Africa**

 **65% of the population below 30**
(VNR 2023)

 **38% living below the poverty line**
(EICV5 2016/17)

 **21% experiencing food insecurity**
(CFSVA 2021)

 **33% stunting under 5 years**
(NISR, 2021)

 **Climate Change**

 **Soil degradation**

 **Limited knowledge**

 **Regional instability**

 **Global shocks**

 **Rising food price inflation**

**RESILIENT, INCLUSIVE AND SUSTAINABLE SYSTEMS TO ENSURE
FOOD AND NUTRITION SECURITY
FOR ALL PEOPLE IN RWANDA, ESPECIALLY THE MOST VULNERABLE**
