# PART 1

## Key Insight from Centralized Evaluations

# Key achievements

- **Strategic transition** well underway
- Strong **adaptive capacity & agility**
- Major efforts on **timeliness & cost-efficiency**
- **Protection & AAP** improvements
- Early progress on **programme integration**

- SO1: Not all **General Food Assistance & nutrition** needs could be met – prioritisation needed
- SO2: **Strong school feeding & nutrition** results
- SO3: Positive **food security, nutrition & livelihoods** effects – but programmes short-term & small-scale.
- SO4: **National policies & capacities strengthened** – but handover & transition gaps
- SO5: Highly valued **logistics, telecommunications & supply chain** services and strong partnerships

# Eight strengths

1. **Ethos of agility**

2. **Systems & structures** to facilitate agility

3. **Technical expertise**

4. **Strategic risk** appetite

5. Expert **emergency management** capabilities

6. Reputation as **a neutral & principled actor**  
(adherence to humanitarian principles)

7. Sustained **partnership & presence** in countries

8. **Pragmatism & solutions** orientation

# Eight areas for improvement

1. **Programme integration**

2. Strategic approach to **capacity strengthening**

3. Closer analysis of **different vulnerabilities**

4. Check **design-stage assumptions**

5. **Gender equality & inclusion**

6. Structures & systems for **PSEA & environmental sustainability**

7. Use comparative advantage for **emergency preparedness**

8. Strengthen **handover & transition**

# PART 2

## Performance of evaluation function

Progress towards outcomes of WFP Evaluation Policy (2022) re:

- quality of evaluation reports
- evaluation coverage
- use of evaluations
- evaluation partnerships & joint evaluations
- financial & human resources

# Outcome 1: Independent, credible and useful evaluations

Evaluation reports completed in the reference year rated by **post-hoc quality assessment** as “satisfactory” or “highly satisfactory”

Evaluation reports completed in the reference year rated by post-hoc quality assessment related to UN System Wide Action Plan for **Gender Equality and Empowerment of Women** as “meet requirements”

Evaluation reports completed in the reference year rated by post-hoc quality assessment related to **UN Disability Strategy** as “meet requirements”

# Outcome 2: Balanced and relevant evaluation coverage

- **Centralized evaluations:** adjustments based on consultations with Regional Directors.
- **Decentralized evaluations:** shifts based on sociopolitical instability, financial constraints; changes in project implementation.
- **Impact evaluations:** signing of Memoranda of Understanding (MoUs) was delayed until 2025 due to longer than anticipated feasibility assessments.

- Evaluations planned in the reference year that were actually contracted

# Outcome 3: Evaluation evidence systematically accessible and available

Completed evaluations made **publicly available in a timely** way (corporate results framework KPI)

WFP draft policies & draft CSPs that refer explicitly to **evaluation evidence** (corporate results framework KPI)

## Outcome 4: Enhanced capacity to commission, manage and use evaluations

Completed decentralized evaluations for which the evaluation managers completed the evaluation learning training programme

## Outcome 5: Partnerships strengthen environment for evaluation and United Nations coherence

Joint evaluations with Governments in which WFP engaged in the reference year
