

Rwanda Country Strategic Plan (2025-2029)

Executive Board Annual Session

November 2025

World Food
Programme

SAVING
LIVES
CHANGING
LIVES

WFP supports refugee families
today and creates opportunities
for self-reliance.

WFP invests in Rwanda's future by strengthening national systems to promote resilience, human capital, and nutrition.

**WFP contributes to more
resilient and inclusive food
systems.**

WFP supports all actors to
prepare and respond to an
emergency.
