The Board will have before it, **for information**, the comments and recommendations of the FAO Finance Committee.

## 7. *Evaluation Reports*

### a) Peer Review of the Evaluation Function at the World Food Programme

An external peer review of WFP's evaluation function was conducted in 2007, taking into account the lessons learned from the recent peer reviews of the UNDP and UNICEF evaluation functions. The purpose of this professional Peer Review is to provide an independent assessment of the functioning and quality of the WFP evaluation function. It also includes analysis of decentralized evaluation in WFP and the ways in which the organization as a whole engages in evaluation. The management response to the review recommendations is provided as an addendum. Both documents are submitted to the Board **for consideration**.

This report, which is submitted to the Board **for consideration**, summarizes an independent mid-term evaluation of protracted relief and recovery operation 10366.0 in support of internally displaced persons in Colombia. The evaluation mission was carried out in February and March 2007; its findings were meant to assist the country office in formulating a follow-on PRRO.
