

# WFP Gender Partners' Meeting

Partnering for Sustainable Results and Impact

# WFP Gender Policy Partnerships

- ▶ WFP will continue to strengthen partnerships at all levels, including working at the inter-agency level to address gender issues and promote knowledge sharing
  - ▶ WFP will work with partners – governments, international, regional and local organisations; and communities – to mobilise complementary resources, including expertise
- 

# WFP Gender Policy Research

- ▶ WFP will collaborate with academic institutions on research to improve its policies and programmes and will collaborate with partners in assessing the impact of its interventions.

# WFP Gender Policy Capacity Development

- ▶ WFP will ensure that staff members develop the capacity to mainstream gender in their work including carrying out gender analyses. ....This will include utilising training opportunities created through inter-agency mechanisms and the efforts of partners

# WFP Gender Policy Advocacy

- ▶ WFP will collaborate with its partners to raise awareness of the importance of promoting gender equality and empowering women to achieve sustainable food and nutrition security
