

The Tanzania Country Strategic Plan 2017- 2021

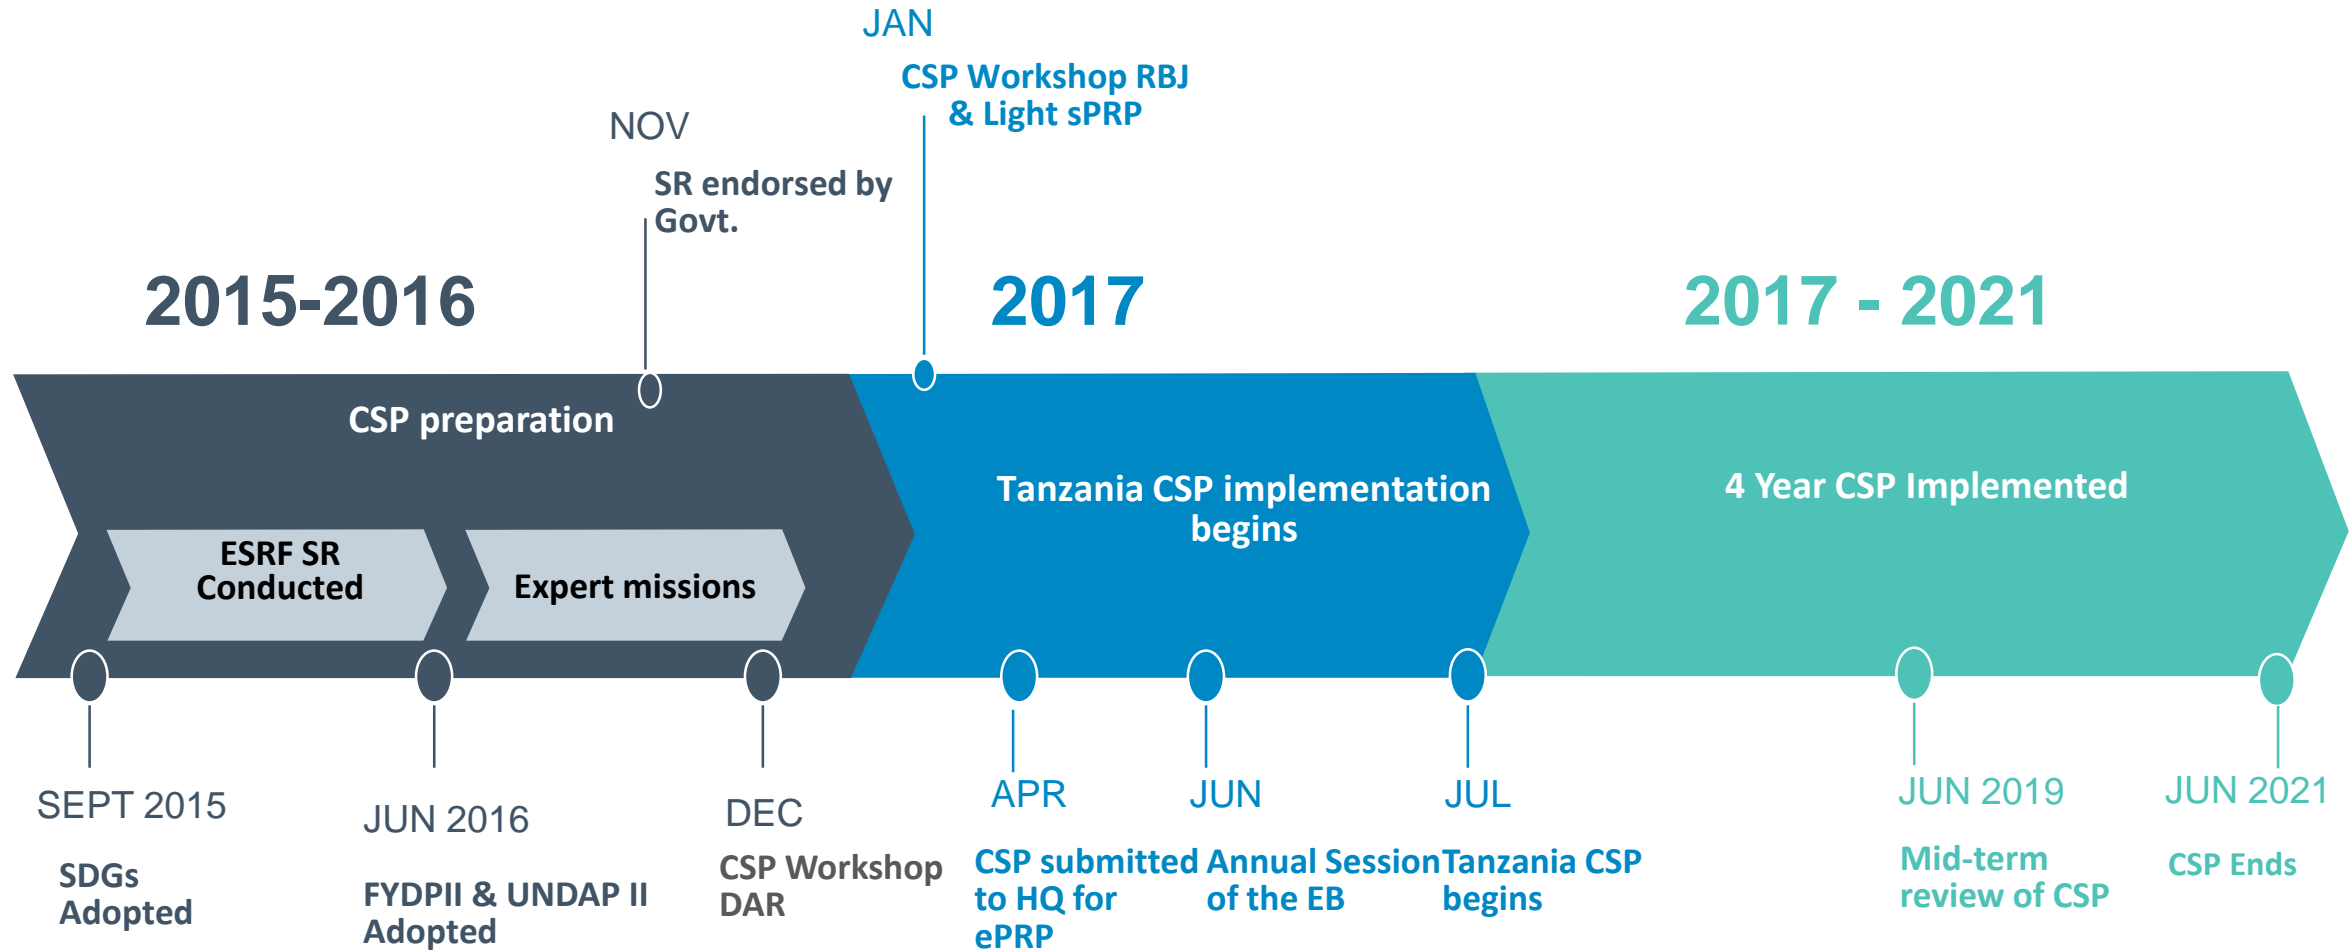

Tanzania in Brief

WFP Offices in Tanzania:

- Government's priority themes are **industrialization** and **human development**.
- Stunting rates remain high at 34 percent.
- Low agriculture yields are driven by poor market linkages, lack of access to quality inputs, minimal value addition, and post-harvest losses of up to 40 percent.
- Tanzania hosts over 310,000, primarily Burundian, refugees in its northwest region.
