## **Time management**

In light of the virtual format of the meeting and experience gained from other virtual events, it is proposed that time management during the Informal Joint Meeting be strengthened.

Experience indicates that applying speaking time limits ensures that interventions are concise and allows all Members of the RBA Governing Bodies to have the opportunity to express their views.

The proposal is to allow five minutes for interventions by the three Principals and Chairpersons of the Executive Governing Bodies of the RBAs, and three minutes for the Members of the three RBA Executive Governing Bodies. The time limits will be strictly enforced by the Chairperson with the aid of audiovisual tools.

These measures will facilitate the smooth running of the meeting and more effective participation by Members.
