

### **Country Strategic Plan for Iraq 2025 – 2029**

SAVING LIVES CHANGING LIVES

**16 December 2024** 

# **Opportunities**:

## **Challenges:**

**Outcome-Level Overview** 

(1)

Increased Transition Toward Durable Solutions Crisis-affected populations are able to meet their food and other basic needs during/after crises.

2)

3

Targeted populations have more resilient livelihoods and benefit from improved food systems by 2029.

Institutions have enhanced capacities to anticipate, prepare and respond to shocks through improved disaster risk management and more effective social protection systems. UNSDCF

#### Cross-cutting:

Promote empowerment, reduce inequality, support food systems and healthy diets

WFP Strategic Objectives	SO 1: People are better able to meet their urgent food and nutrition needs	SO 3: People have improved and sustainable livelihoods	SO 4: National programmes and systems are strengthened
CSP Outcomes	<u>CSP Outcome 1</u> Crisis-affected populations in Iraq, including internally displaced persons and returnees, are able to meet their food and other basic needs during and in the aftermath of crises.	<u>CSP Outcome 2</u> Targeted populations in Iraq have more resilient livelihoods and benefit from improved food systems by 2029.	<u>CSP Outcome 3</u> National and sub-national institutions in Iraq have enhanced capacities to anticipate, prepare for, adapt and respond to shocks and stressors through improved disaster risk management and a more effective social protection system by 2029.
